Subject: Water Quality.

Hi my name is Juliet Irving. In 2018 on October 31 I went to Stuart Beach. I got out of my car and I instantly started having my eyes tear. And then they started burning. Before I knew it I was having a coughing and sneezing attack plus my eyes were tearing and burning. I had to get it away from the beach. The reason I'm in Florida is for the beaches and Fishing and Kayaking. Please keep the water clean. That way our animals and fish mammals and dolphin and humans will not get sick! We just wanna live a happy and healthy life. Unfortunately if that keeps on happening I will have to move out of the state of Florida. Thank you, Juliet Irving
