

Florida Department of Environmental Protection PUBLIC COMMENT FORM

The department welcomes oral and written comments from the public during the 2019 Triennial Review of Florida's surface water quality standards.

To provide **oral comments**, please complete items 1, 2, & 3 below and give this form to a DEP staff member. Oral comments will be audio-recorded.

To provide **written comments**, please submit your comments in writing by completing the form below and providing it to a DEP staff member at the registration table or via email to kaitlyn.sutton@dep.state.fl.us. The public comment period for the Triennial Review Kickoff Public Workshops/Hearings will end Friday May 31, 2019.

The department will review and consider all comments received.

ORAL COMMENTS: X

WRITTEN COMMENTS: X

1. Date:	5/15/19
2. Name:	OREW MARTIN
3. Mailing and/or Email Address:	OMandCHGaul.com
4. Comments:	
NEED TO TEST FOR TRANSPARENCY IN ESTUARINE AS	
RELATED TO SEA GRASS HEALTH. STANDARDS THAT	
REDUCE TURBIDITY NEED TO BE STRENGTHENED. WE	
BELIEVE THAT TRANSPARENCY SHOULD REACH FOUR	
FEET OF CLARITY.	
SEDIMENTS SHOULD BE REDUCED AND TRAPPED.	
TESTS FOR SEDIMENTATION NEED TO BE INCREASED.	
PLEASE ADDRESS THROUGH TURBIDITY CRITERIA.	
TEST FOR MICROCYSTIS NEEDS TO BE ADDED TO	
THE TRIENNIAL STANDARDS.	
MORE TESTING OF MICROCYSTIS FOR HAZARDOUS WATER	
RULE.	

You may use the back of this form if additional space is required for your written comments.
