Notes:

- **Class size - limited to 30 attendees!**
- **Free Parking**
- **Lunch will be provided by the National Stormwater Center**
- **2-DAY Training Program** to obtain state qualification from the Florida Department of Environmental Protection's Stormwater, Erosion, & Sedimentation Control Inspector Qualification Certificate Program. Priority will be given to those who work in the construction, inspections, or environmental fields.
- Course manuals will be provided for each attendee. Also provided will be a National Stormwater Center binder with pen. You may want to bring additional writing materials and highlighter.
- **PLEASE NOTE, there will be a FEE of \$250** charged for this class for all attendees, including private and government employees of other cities, counties, state and federal.
- Late registration and sign-in begins at 8:00 a.m. on Day 1 and class begins promptly at 8:30 a.m. and ends at 4:30 p.m. The Day 2 class will begin at 8:30 a.m. and end around 2:00 p.m. with a proctored **closed-book examination** given. Exams will be graded shortly after the exam so you will know your score. Passing score is a **70 or above**.
