Hi Josh,
We collected a kit for BMAP on Monday with the RQ- 2021-12-13-12. Today we ended up collecting biology that we wanted to add on to that Monday RQ. All we did today was collect an SCI so there are two MI-FW-QLDC Bottle Group B jugs heading your way. Please let me know what else we need to do on our end to make this as smooth as possible for you all. Thank you!
