I don't know how that happened but I'm 99% sure it was 10:38 for sample 8.

Thank you!

Hi Zach!

The collection time for sample #8 is different on the two field sheets (11:30 and 10:38). Is this correct or should they be the same? I'm guessing they should since all the other samples have the same time listed on both sheets. If so, which time is correct? Thanks!
