Subject: RE: sample collection date change

Hi Marshall,

The date on the submittal form is 4/26 but you're right, that doesn't make sense since he relinquished the samples on the 25th. I think it is safe to assume it's a typo, so I've made the correction.

Kathryn

Subject: sample collection date change

Hi:

I'm authorizing chlorophyll jobs and need to see if the collection date can be changed for EVENT NW-DIST-2016-04-26-03 JOB TLH-2016-04-26-39 Samples 1792683 and 84

The collection date is later than the received date (received about 2 hours before sample collection) – probably should be the 25th not the 26th.

Thanks,
Marshall
