

FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION STRATEGIC MONITORING PROGRAM FIELD SHEET

January 2019

Data Qualified?

Yes / No

WIN Station Name: TERRAPIN CR @ Faye Rd.

Date: 11-21-2019

(mm/dd/yyyy)

WIN/ Field ID: 20030653

WBID: 2204

Latitude: 30.434361

(Decimal Degrees)

County: Duval

ORG ID: 21 FLA

Longitude: -81.565555

(Decimal Degrees)

Receiving Body of Water: Dunn Creek

RQ-2019- 11-18-18

TERRAPIN CR @ Faye Rd.

Contains: 1:1 H2SO4
Lot No.: SA9203100
Expires: 07/22/20
See Safety Data Sheet (SDS)

Place Preservation (H2A)
Sulfuric Acid - 1:1 H2SO4
This is a highly corrosive liquid. It can cause severe skin burns and eye damage. It can also damage metal. Use only with proper ventilation. Do not breathe fumes. Do not get on clothing. If you get it on your skin or clothes, remove them immediately. If you get it in your eyes, rinse them with water for at least 15 minutes. If you get it on your face, rinse your mouth out with water. If you get it on your hands, wash them with soap and water. If you get it on your hair, wash it with shampoo. If you get it on your shoes, wash them with soap and water. If you get it on your car, wash it with soap and water. If you get it on your house, wash it with soap and water. If you get it on your pets, wash them with soap and water. If you get it on your food, throw it away. If you get it on your drink, throw it away. If you get it on your medicine, throw it away. If you get it on your vitamins, throw it away. If you get it on your supplements, throw it away. If you get it on your health products, throw it away. If you get it on your personal care products, throw it away. If you get it on your household products, throw it away. If you get it on your cleaning products, throw it away. If you get it on your maintenance products, throw it away. If you get it on your automotive products, throw it away. If you get it on your industrial products, throw it away. If you get it on your agricultural products, throw it away. If you get it on your construction products, throw it away. If you get it on your mining products, throw it away. If you get it on your energy products, throw it away. If you get it on your chemical products, throw it away. If you get it on your biological products, throw it away. If you get it on your medical products, throw it away. If you get it on your pharmaceutical products, throw it away. If you get it on your nutraceutical products, throw it away. If you get it on your dietary supplement products, throw it away. If you get it on your health food products, throw it away. If you get it on your organic products, throw it away. If you get it on your natural products, throw it away. If you get it on your essential oil products, throw it away. If you get it on your aromatherapy products, throw it away. If you get it on your massage products, throw it away. If you get it on your spa products, throw it away. If you get it on your bath products, throw it away. If you get it on your shower products, throw it away. If you get it on your toilet products, throw it away. If you get it on your sink products, throw it away. If you get it on your bathtub products, throw it away. If you get it on your showerhead products, throw it away. If you get it on your faucet products, throw it away. If you get it on your drain products, throw it away. If you get it on your vent products, throw it away. If you get it on your exhaust products, throw it away. If you get it on your chimney products, throw it away. If you get it on your roof products, throw it away. If you get it on your gutters products, throw it away. If you get it on your downspouts products, throw it away. If you get it on your foundation products, throw it away. If you get it on your basement products, throw it away. If you get it on your crawlspace products, throw it away. If you get it on your attic products, throw it away. If you get it on your roofline products, throw it away. If you get it on your exterior products, throw it away. If you get it on your interior products, throw it away. If you get it on your walls products, throw it away. If you get it on your floors products, throw it away. If you get it on your ceilings products, throw it away. If you get it on your doors products, throw it away. If you get it on your windows products, throw it away. If you get it on your trim products, throw it away. If you get it on your moldings products, throw it away. If you get it on your baseboards products, throw it away. If you get it on your踢脚线 products, throw it away. If you get it on your handrails products, throw it away. If you get it on your balustrades products, throw it away. If you get it on your staircases products, throw it away. If you get it on your ladders products, throw it away. If you get it on your scaffolding products, throw it away. If you get it on your equipment products, throw it away. If you get it on your tools products, throw it away. If you get it on your materials products, throw it away. If you get it on your supplies products, throw it away. If you get it on your inventory products, throw it away. If you get it on your stock products, throw it away. If you get it on your warehouse products, throw it away. If you get it on your distribution products, throw it away. If you get it on your retail products, throw it away. If you get it on your wholesale products, throw it away. If you get it on your export products, throw it away. If you get it on your import products, throw it away. If you get it on your shipping products, throw it away. If you get it on your logistics products, throw it away. If you get it on your transportation products, throw it away. If you get it on your infrastructure products, throw it away. If you get it on your utilities products, throw it away. If you get it on your services products, throw it away. If you get it on your products, throw it away. If you get it on your goods, throw it away. If you get it on your merchandise, throw it away. If you get it on your wares, throw it away. If you get it on your commodities, throw it away. If you get it on your securities, throw it away. If you get it on your investments, throw it away. If you get it on your assets, throw it away. If you get it on your liabilities, throw it away. If you get it on your debts, throw it away. If you get it on your obligations, throw it away. If you get it on your responsibilities, throw it away. If you get it on your duties, throw it away. If you get it on your tasks, throw it away. If you get it on your projects, throw it away. If you get it on your programs, throw it away. If you get it on your initiatives, throw it away. If you get it on your campaigns, throw it away. If you get it on your efforts, throw it away. If you get it on your endeavors, throw it away. If you get it on your ventures, throw it away. If you get it on your enterprises, throw it away. If you get it on your businesses, throw it away. If you get it on your companies, throw it away. If you get it on your organizations, throw it away. If you get it on your institutions, throw it away. If you get it on your associations, throw it away. If you get it on your unions, throw it away. If you get it on your guilds, throw it away. If you get it on your societies, throw it away. If you get it on your clubs, throw it away. If you get it on your groups, throw it away. If you get it on your teams, throw it away. If you get it on your squads, throw it away. If you get it on your units, throw it away. If you get it on your divisions, throw it away. If you get it on your departments, throw it away. If you get it on your sections, throw it away. If you get it on your branches, throw it away. If you get it on your offices, throw it away. If you get it on your centers, throw it away. If you get it on your hubs, throw it away. If you get it on your nodes, throw it away. If you get it on your points, throw it away. If you get it on your areas, throw it away. If you get it on your regions, throw it away. If you get it on your territories, throw it away. If you get it on your domains, throw it away. If you get it on your jurisdictions, throw it away. If you get it on your spheres, throw it away. If you get it on your spheres of influence, throw it away. If you get it on your spheres of control, throw it away. If you get it on your spheres of interest, throw it away. If you get it on your spheres of activity, throw it away. If you get it on your spheres of operation, throw it away. If you get it on your spheres of action, throw it away. If you get it on your spheres of impact, throw it away. If you get it on your spheres of effect, throw it away. If you get it on your spheres of influence, throw it away. If you get it on your spheres of control, throw it away. If you get it on your spheres of interest, throw it away. If you get it on your spheres of activity, throw it away. If you get it on your spheres of operation, throw it away. If you get it on your spheres of action, throw it away. If you get it on your spheres of impact, throw it away. If you get it on your spheres of effect, throw it away.
