I added the time that was entered in for this site. The attached COC packet is the corrected and hopefully final version. I apologize for any inconvenience and/or confusion. Please let me know if there are any other questions or issues with this RQ.

Thank you,
Kim Appleby

Hello again,

I apologize for getting this to you late, but attached it the corrected COC packet that includes site 21010051. Unfortunately due to suspected technical errors, we do not have the sampling time for that site recorded on our field sheets. Is this time logged with submittal based on what was written on the sample bottles?

Thank you,
Kim Appleby

Hello,

We are currently in the field at the moment and will not be back in the office until later this afternoon. Once we return I'll be sure to add this site to the COC packet and send it to you right away. I apologize for the mistake and any inconvenience it caused.

Thank you,
Kim Appleby

Good morning,

Will you please send me the COC for site 21010051? It is missing from the packet. Sorry for the delay in asking for this, I had not seen this email and was communicating with Kelly McDonald to get the paperwork.

Thank you, Kyle

Hello,

Here is the second COC packet for RQ-2020-12-07-71 that should be arrive today. This RQ was completed by two different teams and will arrive in two different coolers.

Thank you,
