Hi Ian,

Yes you are correct. I will double check that next time when using the tablet. If I'm ever collecting a sample at midnight there is something very wrong with my mental state. 😊

Thanks,

Blake

Subject: Sampling Time Clarification

Good afternoon, everything looked great in the paperwork except for one Sample Time that I need clarified before I can do corrections on the Sample Submittal Form. For site "Willchoochee Creek At 161/G1WA0087", the sampling time should be 12:01 pm, not 12:01 am, correct? That's how I logged it in but again, clarification needed.

Have a great day!
