Figure 1. A schematic diagram of the experimental setup. The subject is seated in a chair, viewing a screen displaying a target. The target is a vertical line with a horizontal bar at the top. The subject's hand is positioned at the bottom of the target. The distance between the hand and the target is labeled as L . The distance between the hand and the screen is labeled as D . The distance between the hand and the target is labeled as L . The distance between the hand and the screen is labeled as D .
