Hey Ian,

That's correct, there should be 2 SCI jugs in the RQ. Looks like the tablet didn't export it. I apologize for missing it.

Thank you,

Andrew Luering

Subject: Missing Samples in Paperwork

Good afternoon, I received RQ-2022-04-04-63 and noticed that the site had a pair of 2 liter Formalin jugs but no mention on the paperwork. I logged them in according to the scheduler and using the supplied paperwork.

I just wanted to ask to confirm that the sample was logged in properly. Attached is a scan of the scheduler and paperwork received. Let me know if you have any questions, have a great day!
