Laboratory Submission #:

523060549

Enterococci
E.coli (SM9223B Quantitray)

Laboratory
Sample #[illegible]

Sample Type is used to indicate whether the sample was a grab (G) or whether it was a composite (C).

Sample Matrix is used to indicate whether the sample is being discharged to drinking water (DW), groundwater (GW), surface water (SW), fresh surface water (FSW), saline surface water (SSW), soil, sediment (SDMNT), or sludge (SLDGT). Container Type is used to indicate whether the container is plastic (P) or glass (G)

Sample must be refrigerated or stored in wet ice after collection. The maximum temperature during storage should be 6°C (42.8°F). Under "Preservative," list any preservatives that were added to the sample container.

Instructions:
1. Each bottle has a label identifying sample ID, premeasured preservative contained in the bottle, sample type, client ID, and parameters for analysis.

2. The following information should be added to each bottle label after collection with permanent blue ink:

4. The official is responsible for documentation of the sampling event. Please note special sampling events on the sample custody form.

Collector:

Collector: M. J. Jager

Officially published by the U.S. Government Printing Office

[Faint, illegible text from bleed-through]

Relinquished by:

1. The first part of the document is a title page. It contains the title of the document, the author's name, and the date of the document. The title is "The first part of the document is a title page. It contains the title of the document, the author's name, and the date of the document." The author's name is "The author's name is the name of the person who wrote the document." The date of the document is "The date of the document is the date when the document was written." The title page is the first page of the document and it is usually the most important page. It is the page that the reader sees first and it is the page that the reader remembers most. The title page is the page that the reader sees first and it is the page that the reader remembers most.
