The 10:20 time should be correct.

I will make corrections to our Diversified sheet.

I can send copy to their lab as well as upload it to our Network folder.

Sorry about that,
Katherine Halbert

Hi Katherine,

Sample 20030740 from NE-DIST-2024-03-08-01 is marked as being sampled at 10:20 on the DEP chain of custody but the Diversified chain says 10:50. I was wondering which time is correct?

Thank you,

Amanda
