NOTICE

It will be required that this addendum be signed in acknowledgment of receipt and that it be included with your Bid when same is submitted to Brandon Williams, Contracts Specialist, Bureau of Design and Construction, 3800 Commonwealth Boulevard, MS #520, Tallahassee, Florida, 32399-3000. Failure to do so may be grounds for rejection of the Bid.

Signature of Contractor and Date

The following statements supersede & supplement the corresponding items in the specifications & drawings:

- 1. Question:** This is the second project we've seen in less than 30 days that seems very vague. If the contract is supposed to be awarded to the lowest responsible bidder, how can the government determine this, if each contractor determines on their own the quantities by cubic feet, square feet, etc.? The format of the bid is "lump sum". In specific, this bid calls on Sheet S-101, "NOTE: Contractor to provide quantities on their bid." We would like a formal response, as we don't feel that the government can pick and choose contractors based on the documents and direction to bidder given.

Answer: Contractor is responsible to field verify existing conditions and dimensions and to bid the plans.

The ACM LBP report are hereby incorporated into the bid package and supersede those originally posted with the bid documents. The revised bid package can be found at http://publicfiles.dep.state.fl.us/DRP/BDC/BDC%20Public%20Files%20FY23-24/BDC14-23-24%20Bald_Point_-%20Bridge_Upgrades/. Please contact the Bureau of Design and Construction's Contracts Section at BDC_Contracts@dep.state.fl.us with any questions.

In all other respects, the contract documents of which this is an Addendum, and attachments relative thereto, shall remain in full force and effect.
