Theresa,

As we discussed, the repair and/or replacement of the Boardwalk and Jetty Walkway is exempt and therefore will not need a CCCL field permit. Please let me know if you have any additional questions.

Thank you,
David

Hi David,

Thanks for your time in advance.

Please consider the repair/replacement of the Mizell-Johnson Boardwalk and Jetty Walkway a field exemption.

We are replacing all damaged portions of the boardwalk and jetty walkway in the same general footprint. See the attached plan excerpt from the SFWMD Exemption exhibit for more information.

I have also attached the soon to be expired CCCL permit extension that I just discussed with Celora Jackson.

Thanks,
Teri
