Project: O'leno State Park - Boardwalk Replacement

To Whom It May Concern:

Our office reviewed the referenced project in accordance with Chapter 267, *Florida Statutes*, and implementing state regulations, for possible effects on historic properties listed, or eligible for listing, in the *National Register of Historic Places*, or otherwise of historical, architectural or archaeological value.

It is the opinion of this agency that ground-disturbing activities for the above project should be monitored by someone who has completed our Archaeological Resource Management (ARM) training program. Once the project is complete, the monitor should submit the appropriate monitoring forms to this agency. In the event that unmarked human remains are encountered during permitted activities, all work shall stop immediately and the proper authorities notified in accordance with Section 872, *Florida Statutes*.

If you have any questions, please contact Jennifer Tobias, Historic Sites Specialist, by email at [Jennifer.Tobias@dos.fl.gov](mailto:Jennifer.Tobias@dos.fl.gov).

Sincerely,
