

INTERACTIVE PARK MAP GUIDE

This guide will help you plan your next adventure and discover the diverse experiences, natural beauty, and amenities offered throughout our parks, trails, and historic sites. Many features on the interactive park maps are just a click, zoom, or search away - let the journey begin!

Below is a diagram of the interactive web map to help you get started.

1 Move Around the Map

Click and drag on the map to move around the map.
Use the scroll wheel on your mouse to zoom in and out.

Or click the plus button to zoom in and see more detail.

Or click the minus button to zoom out.

Click the locate button to zoom to your location on the map.

2 Learn More About Campsites

Zoom in on the map until you see little orange triangles and click on them to view more information about that campsite in the pop-up.

3 Reserve a Campsite

Click a campsite and then click the "Book" button in the pop-up to make reservations and learn more.

4 Learn More About Trails

Click the colorful lines on the map to view more information about the selected trail.

5 Learn More About Points of Interest

Click the brown and white squares on the map to view photos and videos of points of interest at the park.

6 Explore Experiences and Amenities

Click the "Explore Details" button to learn about all the experiences and amenities available at the park.

7 View Map Symbol Descriptions

Click the "Legend" button to view the different symbols used in the map for each feature.

8 Add Satellite Imagery View to the Map

Click the "Imagery" button and then check the box in the pop-up to add a satellite view to the map.

9 Share the Park Map

Click the "Share" button to choose a social media platform, QR code, email or link to share the map.

10 Print the Map

Click the "Print" button and select a page size to export or print out a GeoPDF of the map.
