APALACHICOLA NATIONAL FOREST — LEON-WAKULLA WILDLIFE MANAGEMENT AREA

TALLAHASSEE — TALLAHASSEE MUNICIPAL AIRPORT — TALLAHASSEE COMMERCIAL AIRPORT — TALLAHASSEE DELIMITED URBAN COMPACT AREA Est. Pop. 75,000

KILLEARN GARDENS STATE PARK — BATTLE OF NATURAL BRIDGE HISTORICAL MEMORIAL

WOODVILLE — CAPITOLA — MICCOSUKEE

The county boundary line through Lake Miccosukee is recorded in the Florida Statutes as east on the township line between T1N and T2N, R3E, to the waters of the Miccosukee, thence up Lake Miccosukee to the south boundary line of T1N, R1E, thence on said township line to the line of Sec. 34 ... thence due north on the east line of Sec. 34 and other sections to said township to the Georgia State Line, etc.

This map was compiled from U.S. Geological Survey quadrangle maps, General Land Office plats, aerial photography flown in 1957, road inventory surveys March, 1960, and other sources.

This map was prepared on the Lambert conformal conic projection with plane coordinates as established for the Florida North Zone.

In congested rural areas local roads are indicated by a single line only. For details refer to inserts prepared for this county.

Portions of railroads and other secondary symbols are omitted in order to show topography.

The railroad station symbol as shown on the map does not necessarily denote the presence of a depot or like facility. It may be only a point designated for the receipt or delivery of freight, such as a platform or siding.

City populations are taken from the U.S. Census for 1960.

All of the Tallahassee Urban Area is included within the limits of the city.

The Wildlife Management Area boundary as shown on this map is approximate and subject to change by the Florida Game and Fresh Water Fish Commission.

GRID NORTH AT TALLAHASSEE IS 0°09'40" EAST OF TRUE NORTH
MAGNETIC NORTH IN JULY 1961 WAS APPROXIMATELY 7°51' EAST OF TRUE NORTH
ANNUAL MAGNETIC CHANGE IS APPROXIMATELY 4.5' WESTWARD
