

1. Log into WACS and select Data Entry/Query Forms → Testsite Information → Delete Monitoring Site Details menu.

2. Step 1 above will display following form which allows to delete EDD Submission for any programs (PRP/HW/SW). By default, this form is opened in **Enter Query mode**. Enter **EDD File Key** or **File Name** and press **Execute Query** button as shown below.

Florida Department of Environmental Protection - Enterprise Applications (BETA Testing/Training)

Help eXit Window

Execute Query button

Water Assurance Compliance System - Delete EDD Submission

EDD File Details (Query using File Key or File Name Only)

EDD File Key: 50116
File Load Date:
Program Area:
File Name:
File Status:
Lab Filename:
Total Sample Records:

EDD Records

Facility Id	Facility Name	Prog Area	Result	Units

Enter a query, press F12 to execute, Ctrl+F4 to cancel.
Record: 1/1
