DATE: January 30, 2007

SUBJECT: Remedial Action Plan Modification
Former City Chemical University Boulevard
6586 University Drive
Winter Park, Florida
State Site No. 41

Shaw Environment, Inc.'s December 2006, Remedial Action Plan Modification received January 16, 2007 has adequately addressed our previous comments on the draft report.

The approval is made contingent upon Shaw's revision of the Quarterly sampling schedule in consultation with the project manager.

If you have any questions, please contact me to discuss this matter.
