- Abernathy, Sarah A.
An X-ray powder diffraction study of the lazulite-scorzalite series.
M.S., Gainesville, Fl.: University of Florida, 1980.
- Adams, William D.
Geologic history of Crescent Lake, Florida. M.S. Gainesville, Fl.:
University of Florida, 1976.
- Adenle, Oladepo A.
The Geomorphic significance of the Lakeland soil in the peninsula of
Florida. M.S., Gainesville, Fl.: University Of Florida, 1971.
- Aftring, Robert Paul
The bacterial degradation of phthalates emphasizing anaerobic catabolism
linked to denitrification. M.S., Miami, Fl.: University of Miami, 1979.
- Aisner, Jonathan A.
Genesis of a skeletal mound, Arsenic Bank, Florida Bay. M.S., Tampa,
Fl.: University of South Florida, 1981.
- Albertson, Helen D.
Long term effects of high temperatures and low salinities on specimens
of Melongena corona and Nassarius vibex. Ph.D., Miami, Fl.: University
of Miami, 1980.
- Alexander, James Edward
The Ecology of iron in tropical waters. Ph.D., Miami, Fl.: University of
Miami, 1963.
- Almasi, Mohammad N.
Ecology and color variation of benthic foraminifera in Barnes Sound,
northeast Florida Bay. M.S., Miami, Fl.: University of Miami, 1978.
- Anderson, John
The Marine geology of the "Weddell Sea." Ph.D., Tallahassee, Fl.:
Florida State University, 1972.
- Anderson, Thomas
A Fission track investigation of portions of the Pine Mountain Belt, and
inner Piedmont in west central Georgia. M.S., Tallahassee, Fl.: Florida
State University, 1981.
- Andress, Noel Eugene
Distribution of foraminifera in the southeastern Gulf of Mexico. M.S.,
Tallahassee, Fl.: Florida State University, 1970.
- Andrews, Franklin
Structure and areal extent of the Colchester (No. 2) Coal in Illinois.
M.S., Tallahassee, Fl.: Florida State University, 1970.

- Andrews, James Einar
The Bahama Canyon system. Ph.D., Miami, Fl.: University of Miami, 1967.
- Armstrong, John
The Geology of the Floridan Aquifer system in east Martin and St. Lucie counties, Florida. M.S., Tallahassee, Fl.: Florida State University, 1980.
- Assefa, Getaneh
Mineralogy and petrology of selected rocks from the Hawthorn Formation, Marion and Alachua counties, Florida. M.S., Gainesville, Fl.: 1969.
- Ausburn, Kent
A Geochemical and petrographic study of the Hansen sedimentary uranium orebody northwest of Canon City, Colorado, M.S., Tallahassee, Fl.: Florida State University, 1981.
- Babashoff, George, Jr.
Temporal and spatial distribution of benthic foraminifera in the north-eastern Gulf of Mexico. M.S., Miami, Fl.: University of Miami, 1982.
- Baker, Philip C.
Trace element analysis of limestones by secondary fluorescence x-ray spectroscopy. M.S., Gainesville, Fl.: University of Florida, 1982.
- Baker, Robert A. III
Experimental studies in Ripple Mark Formation. M.S., Gainesville, Fl.: University of Florida, 1965.
- Baldwin, Dorothy E.
The Geology of the eastern half of the Joyabaj quadrangle, west-central Guatemala. M.S., Gainesville, FL.: University of Florida, 1972.
- Barackman, Milan
A Study of the mineral glauconite in Apalachicola, Florida. M.S., Tallahassee, Fl.: Florida State University, 1964.
- Barbaccia, Phillip A.
The Effect of thermal discharge from a steam electric power plant on the production of phytoplankton. M.S., Melbourne, Fl.: Florida Institute of Technology, 1977.
- Barber, Scott
Bolonus eburneus: A potential indicator of copper and zinc pollution in estuarine waters. M.S., Melbourne, Fl.: Florida Institute of Technology, 1977.

- Barnum, Dean
Coal lens modern analog, Wakulla, Florida. M.S., Tallahassee, Fl.: Florida State University, 1966.
- Barron, Eric James
Suspended sedimentation processes, Marco Island, Florida. M.S., Miami, Fl.: University of Miami, 1976.
-
- Paleogeography and climate, 180 million years to the present. Ph.D., Miami, Fl.: University of Miami, 1980.
- Bates, Peter P.
A Base level study of select organochloride pesticides and polychlorinated biphenyls in Quahog clams (*Mercenaria mercenaria*) sediment and soil taken from Brevard County, Florida. M.S., Melbourne, Fl.: Florida Institute of Technology, 1973.
- Bauer, Thomas R.
Paleomagnetism of the Eocene Crystal River Formation. M.S., Gainesville, Fl.: University of Florida, 1980.
- Baur, David
The Structure of the Pine Mountain Belt, Georgia. M.S., Tallahassee, Fl.: Florida State University, 1976.
- Beach, David Kent
Depositional and diagenetic history of Pliocene-Pleistocene carbonates of northwestern Great Bahama Bank: evolution of a platform. Ph.D., Miami, Fl.: University of Miami, 1982.
- Beatty, Gwendolyn F.
The Study of lineaments and fracture traces and correlation to springs along the Suwanee River from Mayo, Florida to Branford, Florida. M.S., Gainesville, Fl.: University of Florida, 1977.
- Beazley, Robert W.
A Study of the distribution of cultivable bacteria in lagoonal water and sediments. M.S., Melbourne, Fl.: Florida Institute of Technology, 1969.
- Beckman, Gary L.
A Comparison of calcium silicate bricks manufactured from various combinations of Florida sands and environmental waste materials. M.S., Gainesville, Fl.: University of Florida, 1972.
- Bell, David
A Comparative study of glauconite and the associated clay fraction in

modern marine sediments. M.S., Tallahassee, Fl.: Florida State University, 1966.

Bell, Leslie A.

Impact of sediment clay mineralogy and organic waste matter on lead in estuarine water. M.S., Tampa, Fl.: University of South Florida, 1977.

Benda, William

The Distribution of ostracoda and foraminifera off part of the Gulf Coast of peninsular Florida in the vicinity of Cape Romano. M.S., Tallahassee, Fl.: Florida State University, 1962.

Bennett, Kathleen C.

A Detailed magnetic survey of Alachua County, Florida. M.S., Gainesville, Fl.: University of Florida, 1978.

Bergen, James Alan

Calcareous nannoplankton from Deep Sea Drilling Project Leg 78A: evidence for imbricate underthrusting at the lesser Antillian active margin. M.S., Tallahassee, Fl.: Florida State University, 1982.

Bergmann, Peter C.

Comparison between sieving and settling tube determinations of environments of deposition. M.S., Tallahassee, Fl.: Florida State University, 1982.

Birdsall, Barton C.

Eastern Gulf of Mexico, continental shelf phosphorite deposits. M.S., Tampa, Fl.: University of South Florida, 1979.

Blair, Donald

The Distribution of planktonic foraminifera in deep sea cores from Southern Ocean, Antarctica. M.S., Tallahassee, Fl.: Florida State University, 1965.

Blevins, Lee

Utilization of sulfur compounds by indigenous halophytes in the Indian-Banana River lagoonal system. M.S., Melbourne, Fl.: Florida Institute of Technology, 1974.

Bloom, Jonathan I.

A Mineralogical model of the Floridan Aquifer in the Southwest Florida Water Management District. M.S., Gainesville, Fl.: University of Florida, 1982.

Bock, Wayne D.

A Comparison of the monthly variation in foraminiferal biofacies on

Thalassia and sediment, Big Pine Key area, Florida. Ph.D., Miami, Fl.: University of Miami, 1967.

- Bohlke, Brenda M.
Mississippi prodelta "crusts": a clay fabric and geotechnical analysis. M.S., Miami, Fl.: University of Miami, 1978.
- Bohlke, John Karl F.P.
Alteration of deep-sea basalts from site 396B, Deep-Sea Drilling Project. M.S., Miami, Fl.: University of Miami, 1978.
- Bolling, Sharon
Neogene stratigraphy of Gulf County, Florida. M.S., Tallahassee, Fl.: Florida State University, 1982.
- Boulware, Joe W.
The Relationship of the soils to the geology of Hillsborough County, Florida. M.S., Gainesville, Fl.: University Of Florida, 1963.
- Brame, Jeffrey W.
The Stratigraphy and geologic history of Caladesi Island, Pinellas County, Florida. M.S., Tampa, Fl.: University of South Florida, 1976.
- Brenneman, Lionel
Origin of certain sand bodies of Apalachicola Delta. M.S., Tallahassee, Fl.: Florida State University, 1957.
- Briel, Lawrence
An Application of the U^{234}/U^{238} disequilibrium in the analysis of the sources and the mixing patterns of the Santa Fe River system of north central Florida. Ph.D., Tallahassee, Fl.: Florida State University, 1976.
- Broida, Saul
Interpretation of geostrophy in the Straits of Florida. Ph.D., Miami, Fl.: University of Miami, 1966.
- Brooks, David Arthur
Wind-forced continental shelf waves in the Florida Current. Ph.D., Miami, Fl.: University of Miami, 1975.
- Brown, David P.
Marine geology of Cay Sal Bank, Bahamas. M.S., Tampa, Fl.: University of South Florida, 1972.
- Brown, Michael P.
An Integrated geophysical survey over a waterfilled sink system. M.S., Tampa, Fl.: University of South Florida, 1976.

- Burk, Roger
 Palynological dating of sediment of east central Florida. M.S.,
 Tallahassee, Fl.: Florida State University, 1973.
- Burkett, David
 Experimental alteration of basaltic glass in aqueous environments. M.S.,
 Tallahassee, Fl.: Florida State University, 1970.
- Burnson, T. Quentin
 Sedimentological study of Matanzas Inlet, Florida and adjacent areas.
 M.S., Gainesville, Fl.: University of Florida, 1972.
- Busen, Karen
 Silicoflagellate stratigraphy, Leg 36, Deep Sea Drilling Project. M.S.,
 Tallahassee, Fl.: Florida State University, 1978.
- Busen, Ken
 Historical and sedimentary analysis of the parallel beach ridges at
 Hammond Bay, Michigan. M.S., Tallahassee, Fl.: Florida State University,
 1978.
- Bybell, Laurel Mary
 Middle Eocene calcareous nannofossils at Little Stave Creek, Alabama.
 M.S., Miami, Fl.: University of Miami, 1974.
- Cable, Mark S.
 Depositional environments of the Rhode Island Formation, Carboniferous
 Narragansett Basin, southeastern New England. M.S., Tampa, Fl.:
 University of South Florida, 1980.
- Cairns, Stephen Douglas
 Review of the deep-water ahermatypic corals (*Scleractinia*) of the tropi-
 cal western Atlantic. Ph.D., Miami, Fl.: University of Miami, 1976.
- Campbell, Kenneth
 The Sedimentology of simple and reticulated transverse bars in a low wave
 energy environment. M.S., Tallahassee, Fl.: Florida State University,
 1979.
- Capalda, Paul S.
 Environmental factors influencing the zonation of three semi-terrestrial
 decapods! UCA pugnax, UCA minas and Sessarma reticulatum. M.S.,
 Melbourne, Fl.: Florida Institute of Technology, 1968.
- Capone, Douglas G.
 Dinitrogen fixation in subtropical seagrass and macroalgal communities.
 Ph.D., Miami, Fl.: University of Miami, 1978.

- Carey, Max R.
Quantitative determination of chlorophyll in the Indian River Lagoon. M.S., Melbourne, Fl.: Florida Institute of Technology, no date.
- Carpenter, John
Study of the U series disequilibrium in Pleistocene shallow water carbonates as a possible basis for absolute age determinations. M.S., Tallahassee, Fl.: Florida State University, 1962.
-
- Relationships between structural deformation and metamorphic differentiation. Ph.D., Tallahassee, Fl.: Florida State University, 1964.
- Carson, Matt W.
Quality evaluation of fine limestone used in asphalt mixtures. M.S. Gainesville, Fl.: University of Florida, 1980.
- Carter, Anna D.
Conodont biostratigraphy of the Maury Shale, north central Alabama. M.S., Gainesville, Fl.: University of Florida, 1975.
- Cason, James H.
The Geochemistry of Lake Izabal, Guatemala. M.S., Gainesville, Fl.: University of Florida, 1972.
- Cazeau, Charles
The Size distribution and character of the sediments carried by the Chattahoochee River in the State of Georgia. M.S., Tallahassee, Fl.: Florida State University, 1955.
- Ceryak, Ronald J.
A Mineralogical and textural analysis of recent beach sands of the Gulf Coast of Florida from Anclote Key to Marco Island. M.S., Gainesville, Fl.: University of Florida, 1974.
- Chacartegui, Fernando
Geochemistry and hydrography of Laguna de Tacarigua, Venezuela. M.S., Tampa, Fl.: University of South Florida, 1981.
- Chaiffetz, Michael
Lateral variations in relative frequencies of Chitinozoa taxa from the Red Mountain Formation of northeastern Alabama. M.S., Tallahassee, Fl.: Florida State University, 1973.
- Chaki, Susan
A Sedimentary investigation of the beach ridge sets composing Cape

Canaveral, Florida. M.S., Tallahassee, Fl.: Florida State University, 1974.

Chapuis, Ralph

Sedimentary response to climatic changes as recorded in deep sea cores from the Southern Ocean. M.S., Tallahassee, Fl.: Florida State University, 1973.

Chen, Chen-Tung A.

High pressure sound speeds and PVT properties of pure water, seawater, and major sea salts. Ph.D., Miami, Fl.: University of Miami, 1977.

Chen, Chih Shan

The Petrology of the Lower Pennsylvanian Suwannee Sandstone, Lookout Mountain, Alabama and Georgia. M.S., Florida State University, 1960.

Chen, Philip S.

A Study of the decomposition rate of Manatee Grass (Cymodoceum manotorium). M.S., Melbourne, Fl.: Florida Institute of Technology, 1969.

Chew, Frank

The Turning process in meandering currents: a case study. Ph.D., Miami, Fl.: University of Miami, 1973.

Chu, Chung-Ming

A Study on the wind mixing at an anchor station off Fort Pierce Inlet, Florida. M.S., Melbourne, Fl.: Florida Institute of Technology, 1977.

Ciesielski, Paul

Biostratigraphy and paleoecology of Neogene and Oligocene silicoflagellates recovered from piston and drill cores off eastern Antarctica. M.S., Tallahassee, Fl.: Florida State University, 1978.

Marine geology and paleo-oceanography of the Falkland Plateau, Malvinas outer basin, and related provinces. Ph.D., Tallahassee, Fl.: Florida State University, 1978.

Clark, John Garry

Ray acoustic propagation in an ocean acoustic channel with slowly time-varying stratification. Ph.D., Miami, Fl.: University of Miami, 1970.

Clark, Murlene Wiggs

Neogene stratigraphy of southern Bay County, Florida. M.S., Tallahassee, Fl.: Florida State University, 1980.

- Clark, Murlene Wiggs
Paleogene abyssal environments of the eastern South Atlantic: a foraminiferal study. Ph.D., Tallahassee, Fl.: Florida State University, 1983.
- Clausner, Edward Jr.
Characteristic features of the Florida Current. M.S., Miami, Fl.: University of Miami, 1967.
- Clemens, Linda A.
Bloating of fired phosphate slimes. M.S., Gainesville, Fl.: University of Florida, 1976.
- Coe, Curtis
The Economic geology of the Citronelle Formation in Escambia and Santa Rosa counties, Fl. M.S., Tallahassee, Fl.: Florida State University, 1979.
- Cohen, Lynn
A Uranium disequilibrium study of the submarine springs of Spring Creek, Florida.: M.S., Tallahassee, Fl.: Florida State University, 1977.
- Cohenour, Bernard
A Study of petroleum degradation by bacteria in waters encompassing Kennedy Space Center. M.S., Melbourne, Fl.: Florida Institute of Technology, 1976.
- Coleman, Craig
The Stranded bar: a study of bar formation during storm surges at Carabelle Beach, Florida. M.S., Tallahassee, Fl.: Florida State University, 1978.
- Coleman, Neil M.
Gravity investigation of basement structure in northwest peninsular Florida. M.S., Tampa, Fl.: University of South Florida, 1979.
- Colton, Richard
The Geology of Hamilton County, Florida, with emphasis on the Oligocene age Suwannee Limestone. M.S., Tallahassee, Fl.: Florida State University, 1978.
- Conklin, Carleton V.
The Foraminifera fauna sequence in the Plio-Pleistocene strata of south Florida. M.S., Gainesville, Fl.: University of Florida, 1967.
- Constans, Richard
A Study of fluctuations in the carbonate compensation depth in the Southern Ocean south of Australia using calcareous nannofossils. M.S., Tallahassee, Fl.: Florida State University, 1975.

- Cook, Gregory A.
Heat flow in the Central Plateau of northern Mexico. M.S., Gainesville, Fl.: University of Florida, 1978.
- Cooper, David M.
Radiation induced growth, modification, and decay of thermoluminescence in synthetic fluorite. M.S., Gainesville, Fl.: University of Florida, 1967.
- Copeland, Richard E.
The Geology of the northern portion of the Wadesboro Triassic Basin, North Carolina. M.S., Gainesville, Fl.: University of Florida, 1974.
- Corredor-Garcia, Jorge E.
Phytoplankton dynamics in the Guajira (Columbia) upwelling: a multi-disciplinary study. Ph.D. Miami, Fl.: University of Miami, 1978.
- Covington, Sidney
Hydrothermal alteration of the Iron Queen Igneous Body, Blawn Mountain, Utah. M.S., Tallahassee, Fl.: Florida State University, 1973.
- Cowart, James B.
Thermoluminescence, radioactivity, and time since crystallization of Fluorite. M.S., Gainesville, Fl.: University of Florida, 1962.
-
- U²³⁴ and U²³⁸ in the Garrizon Sandstone Aquifer of south Texas. Ph.D., Tallahassee, Fl.: Florida State University, 1974.
- Crevello, Paul D.
Debris flow deposits and turbidites of a modern carbonate basin, Exuma Sound, Bahamas. M.S., Miami, Fl.: University of Miami, 1978.
- Crews, Patricia A.
Petrology and stratigraphic relations of a mafic volcanic complex and associated sediments of an ophiolite in southern Haiti. M.S., Gainesville, Fl.: University of Florida, 1978.
- Croft, Melvin
Ecology and stratigraphy of the echinoids of the Ocala Limestone. M.S., Tallahassee, Fl.: Florida State University, 1980.
- Cummings, George H.
Reefs and related sediments of the Cape Hatien Area, Haiti. M.S., Gainesville, Fl.: University of Florida, 1973.

- Curtin, Thomas Brian
Physical dynamics of the coastal upwelling frontal zone off Oregon.
Ph.D., Miami, Fl.: University of Miami, 1979.
- Cutright, Bruce L.
Hydrogeology of a cypress swamp, north central Alachua County, Florida.
M.S., Gainesville, Fl.: University of Gainesville, 1974.
- Dabous, Adel
Mineralogy, geochemistry and radioactivity of some Egyptian phosphorite deposits. Ph.D., Tallahassee, Fl.: Florida State University, 1981.
- D'Andrea, Julie
The Geochemistry of the Socorro K₂ Anomaly, northern Mexico. M.S.,
Tallahassee, Fl.: Florida State University, 1981.
- Daggett, Joyce M.
Sediments of the Indian River and the impounded waters near Kennedy Space
Center. M.S., Melbourne, Fl.: Florida Institute of Technology, 1973.
- Dallemagne, Pierre
Determination of trace inorganic and organometallic compounds of mercury
in sea water. M.S., Melbourne, Fl.: Florida Institute of Technology,
1974.
- Dalton, Matthew
Geochemistry of the contact between bicarbonate and upwelling sulfate
waters in the Floridan Aquifer. M.S., Tampa, Fl.: University of South
Florida, 1978.
- Dalziel, Mary Catherine
Geochemistry of Antarctic sediments with emphasis on the distribution
of barium. M.S., Miami, Fl.: University of Miami, 1975.
- Daneman, Kenneth S.
Factors influencing the size of the phytoplankton standing crop in the
Indian River. M.S., Melbourne, Fl.: Florida Institute of Technology,
1978.
- Dannecker, John R., Jr.
The Effect of toxaphene on the growth of unilager and mixed cultures
of phytoplankton. M.S., Melbourne, Fl.: Florida Institute of
Technology, 1978.
- Daugherty, Greg
Geobotanical interpretation of the geology and phosphate occurrences of
north central Florida as determined by Landsat imagery. M.S.,
Tallahassee, Fl.: Florida State University, 1977.

- David, James R.
 Net-phytoplankton ecology of the Indian River; the effects of light intensity and temperature upon standing crop during the period October 1977 to April 1978. M.S., Melbourne, Fl.: Florida Institute of Technology, 1978.
- Davis, Michael P.
 Investigation of uranium and thorium variation in selected intrusive rocks of the southeastern Piedmont. M.S., Gainesville, Fl.: University of Florida, 1977.
- DeFelice, David
 Surface lithofacies, biofacies, and diatom diversity patterns as models for delineation of climatic change in the southeastern Atlantic Ocean. M.S., Tallahassee, Fl.: Florida State University, 1979.
- Deininger, Donald
 A Hydrological investigation of north central and northeastern Florida by low level tritium analysis. M.S., Tallahassee, Fl.: Florida State University, 1973.
- DeInore, Victor E.
 Surface layer temperature structure as evidence for Rossby waves southwest of Bermuda. M.S., Miami, Fl.: University of Miami, 1967.
- Dill, Richard E.
 Study of the circulation in the lagoons encompassing the Kennedy Space Center. M.S., Melbourne, Fl.: Florida Institute of Technology, 1974.
- Diller, Charles E.
 The Use of the fluorogenic substrate 2- (4 Methylumbelliferyl)- of-D.N. acetyl neuraminic acid (MUN) to investigate the enzyme kinetics of neuraminidase from Clostridium perfringens serotypes and to evaluate the bacterial quality of water. M.S., Melbourne, Fl.: Florida Institute of Technology, 1977.
- Dimmick, Charles W.
 The Age of the blue-green clay outcropping in the Crescent Beach Spring. M.S., Gainesville, Fl.: University of Florida, 1964.
- Dixon, Frederik S.
 Paleoecology of an Eocene mud-flat deposit (Avon Park Formation, Clairbornian) in Florida. M.S., Gainesville, Fl.: University of Florida, 1972.
- Dolliver, Claire V.
 The Geomorphology of the west-central Florida peninsula. M.S., Gainesville, Fl.: University of Florida, 1965.

- Dolske, Donald A.
Diurnal cyclic variations in the concentration of certain nutrient materials in the Indian River. M.S., Melbourne, Fl.: Florida Institute of Technology, 1976.
- Donnelly, Peter James
Dinoflagellate cysts from the Indian River, Fl. M.S., Melbourne, Fl.: Florida Institute of Technology, no date.
- Dowd, Catharina E.
Abundance and distribution of Bothidae (Pisces, Pleuronectiformes) larvae in the eastern Gulf of Mexico, 1971-72 and 1973. M.S., Miami, Fl.: University of Miami, 1978.
- Drehle, William
A Sedimentary investigation of the large linear sand bodies exposed in the Gulf County, Florida, canal. M.S., Tallahassee, Fl.: Florida State University, 1973.
- Duguay, Linda Emma
Calcium metabolism and photosynthetic carbon fixation in benthic foraminifera symbiotic with microalgae. Ph.D., Miami, Fl.: University of Miami, 1979.
- Earley, Charles
The Sediments of Card Sound, Florida. M.S., Tallahassee, Fl.: Florida State University, 1967.
- Echols, Ronald J.
The Bryozoan fauna of the Tamiami Formation (Upper Miocene of Florida). M.S., Gainesville, Fl.: University of Florida, 1960.
- Edgar, Terrence
A Petrographic and geochemical study of an upper Devonian bioherm. M.S., Tallahassee, Fl.: Florida State University, 1960.
- Edwards, Dennis
The Detrital mineralogy of surface sediments of the ocean floor in the area of Antarctica. M.S. Tallahassee, Fl.: Florida State University, 1968.
- Eger, James D.
Experiments in offshore shallow high resolution seismic refraction profiling. M.S., Gainesville, Fl.: University of Florida, 1975.
- Eichler, Gary E.
Engineering properties and lime stabilization of tropically weathered soils. M.S., Gainesville, Fl.: University of Florida, 1974.

- Emerson, John
Stratigraphy and petrology of Upper Chester Rocks in northern Alabama. Ph.D., Tallahassee, Fl.: Florida State University, 1966.
- Emhof, John W.
A Geothermal study of southern Virginia, North Carolina and eastern Tennessee. M.S., Gainesville, Fl.: University of Florida, 1977.
- Emmerling, Michael
The Recent beach sands of Dog Island, Florida. M.S., Tallahassee, Fl.: Florida State University, 1974.
- Emrich, Grover
Sedimentation studies in the Hawthorn Formation of northwest Florida. M.S., Tallahassee, Fl.: Florida State University, 1957.
- Entsminger, Lee
Beach pads and beach cusps, St. Joseph Peninsula. M.S., Tallahassee, Fl.: Florida State University, 1978.
- Eppert, Herbert C.
Stratigraphy of the Upper Miocene deposits in Sarasota County, Florida. M.S., Gainesville, Fl.: University of Florida, 1963.
- Erkenbech, Edward
Pressure and seawater absorption effects on the compressive strength of concrete. M.S., Melbourne, Fl.: Florida Institute of Technology, 1978.
- Erskine, Rodney D.
A Geochemical survey of northern Mexico and Baja California. M.S., Gainesville, Fl.: University of Florida, 1979.
- Evans, Charles Carroll
Aspects of the depositional and diagenetic history of the Miami Limestone: control of primary sedimentary fabric over early cementation and porosity development. M.S., Miami, Fl.: University of Miami, 1982.
- Evans, Richard
A Sedimentological study of Greater Gullivan Bay, Florida. M.S., Tallahassee, Fl.: Florida State University, 1962.
- Feast, Charles F.
The Structural history of two klippen on the west flank of the Pavant Mountains, west central Utah. M.S., Gainesville, Fl.: University of Florida, 1979.

- Fellers, Thomas
SEM study of the flocculation settling behavior and microtextures of phosphoratic clay slimes. M.S., Tallahassee, Fl.: Florida State University, 1978.
- Fenk, Edward M.
Sedimentology and stratigraphy of Middle and Upper Eocene carbonate rocks, Lake, Hernando and Levy counties, Florida. M.S., Gainesville, Fl.: University of Florida, 1979.
- Fennel, Edwards
The Relation of gravity to structural geology and hydrology features in parts of Gadsden, Leon, and Wakulla counties, Florida. M.S., Tallahassee, Fl.: Florida State University, 1969.
- Fetter, Franklin
Recent deep-sea benthic foraminifera from the Alpha Ridge province of Arctic Ocean. M.S., Tallahassee, Fl.: Florida State University, 1973.
- Fettes, Sandra M.
A Study of the concentration of selected heavy metals in leaves of Loguncular racemosa in the Kennedy Space Center area. M.S., Melbourne, Fl.: Florida Institute of Technology, 1977.
- Fien, Michael N.
Biven's Arm, Gainesville, Florida: a biogenic source of sulphur to the atmosphere. M.S., Gainesville, Fl.: University of Florida, 1975.
- Filewicz, Mark
Calcareous nannofossil zonation of Upper Jurassic and Lower Cretaceous sediments from South Florida. M.S., Tallahassee, Fl.: Florida State University, 1976.
- Fink, Lloyd Kenneth
The Geology of the Guadeloupe region, Lesser Antilles island arc. Ph.D., Miami, Fl.: University of Miami, 1969.
- Finlen, James Rendell
Transport investigations in the northwest Providence Channel. M.S., Miami, Fl.: University of Miami, 1966.
- Finnerty, Martin J., Jr.
Relationships between thermal gradient variations and convergence zone characteristics. M.S., Miami, Fl.: University of Miami, 1966.
- Finney, Vernon
Mineralogy of ferruginous concretions. M.S., Tallahassee, Fl.: Florida State University, 1967.

- Fisher, Victor
The Southern Ocean 700,000 years ago. Ph.D., Tallahassee, Fl.: Florida State University, 1968.
- Fleece, James
The Carbonate geochemistry and sedimentology of the Keys of Florida Bay, Florida. Ph.D., Tallahassee, Fl.: Florida State University, 1962.
- Floyd, James G.
Stratigraphic distribution of Upper Eocene larger foraminifera from northeastern Levy County, Florida. M.S., Gainesville, Fl.: University of Florida, 1962.
- Foo, E-Chien
The Influence of bottom friction on Rossby Waves in a stratified fluid. M.S., Miami, Fl.: University of Miami, 1975.
-
- A Two-dimensional diabatic isophenal model of a coastal upwelling front. Ph.D., Miami, Florida.: University of Miami, May, 1980.
- Frank, James R.
The use of a closed circulation system for the continuous measurement of hydrogen photoproduction by a marine photosynthetic bacterium (Miami PBS 107 colony 1). M.S., Miami, Florida.: University of Miami, 1978.
- Frazier, Michael K.
A Revision of the fossil Erethizontidae of North America. M.S. Gainesville, Fl.: University of Florida, 1978.
- French, Thomas Daniel
Temporal dynamics of copper chemistry in the shoal grass Halodule wrightii aschers. M.S., Melbourne, Fl.: Florida Institute of Technology, 1980.
- Fretwell, Judy D.
Resistivity of the shallow water-salt water interface in selected coastal areas of Citrus County, Florida. M.S., University of South Florida, 1978.
- Friedersdorff, Louis Scott
A Survey of 2-4 dichlorophenopyacetic acid and degradation products resulting from an aquatic weed control program. M.S., Melbourne, Fl.: Florida Institute of Technology, no date.
- Fuller, Wayne R.
Heat flow reconnaissance of Florida. M.S., Gainesville, Fl.: University of Florida, 1976.

- Gibson, Christy R.
Post-Pleistocene biostratigraphic and paleoenvironmental analysis of Salt Lake, Brevard County, Florida. M.S., Gainesville, Fl.: University of Florida, 1979.
- Gifford, John A.
A Description of the geology of the Bimini Islands, Bahamas. M.S., Miami, Fl.: University of Miami, 1973.
- Gillespie, Dennis P.
Hydrogeology of the Austin Cary Control Dome in Alachua County, Florida. M.S., Gainesville, Fl.: University of Florida, 1976.
- Girard, Oswald W., Jr.
