12 West Palm Beach	26 Bluff Springs & McDavid
13 Miami	
14 Key West	

Corkscrew, Lehigh Park and Lake Trafford Fields - Sheet 17 of 26

Florida Geological Survey - Map Series 6 Regional Oil & Gas Well Location Maps

Key to Features	
Dry Hole	Never Drilled
Producer	Junked Hole
Salt Water Disposal	Surface Location
Water Injection Well	SHL Surface Hole
County Lines	Interstates
US Highways	State/County Roads
Township/Range Lines	Section Lines
Well Trace	

Notes:
14 refers to the well numbering system. Well numbers may also be preceded by B, PP, W and WGI. Well locations reflect original not necessarily current locations.
This map was created using FDEP databases, data obtained from the Florida Geological Survey (FGS) and scanned US Geological Survey 1:250,000 scale topographic maps. It was produced January, 2002 by the Florida Department of Environmental Protection, Division of Resource Management, FGS, GIS Sub-Section. This document was prepared for the presentation of the geologic (or hydrogeologic, etc...) information shown and is not intended to replace site-specific or use-specific investigations. The FGS does not guarantee this document to be free from errors or inaccuracies and disclaims any responsibility or liability for inappropriate change of scale or interpretations or decisions based thereon.
