Conservation Lands

Map Date: 9/11/08

Each Multi-Use Trail Corridor is intended to identify corridors of statewide and regional significance. These corridors are 4 KM (approx. 2.5 miles) wide to reflect the variability of actual trail location after planning and design is completed.

Pursuant to Chapter 260.0141 Florida Statutes:

Planning materials, maps (including this map), data, and other information developed or used in the Greenways and Trails Program shall not be construed as designation of lands as part of the statewide system of greenways and trails. Identification of lands on this map shall not:

- (1) Require or empower any unit of local or regional government, or any state agency, to impose additional or more restrictive environmental, land-use, or zoning regulations;
- (2) Be construed or cited as authority to adopt, enforce, or amend any environmental rule or regulation; comprehensive plan goals, policies, or objectives; or zoning or land-use ordinance;
- (3) Be used as the basis for permit denial; imposition of any permit condition; or application of any rule, regulation, or ordinance by any subdivision of local, regional, or state government; or
- (4) Be construed or cited as authority by an governmental agency to reduce or restrict the rights of owners of lands so identified.
