

8.7. PROJECT ROCK-30 - WINCHESTER GROVE NONDISCHARGE

The Winchester Cove Subdivision is located between U.S. 1 and the IRL, in the southern section of the City. (Figure 8.7) This subdivision was designed and permitted to store the 100-year storm as shown in ERP No. 42-009-1890-AN. Therefore, it is a 7.25-acre nondischarge area that should receive 100% reduction of 41.4 lb/yr of TN and 5.3 lb/yr of TP. There are no costs associated with acquisition of these credits.
