Can you get in touch with Jon Watts? It seems that all the samples were logged in with a sample date of 12/5/2017.

Hi Jeremy,

We received the report from ALS for this RQ. The coc the lab sent has a correction for the time relinquished. Can you tell me when the samples were relinquished and when they were sampled?

Thank you,

Hi all,

This is in regards to an error in wrong sample location, on the submittal paperwork to ALS. **I have changed it for records , *see attached.**

I have also changed it in our lims, dmt for our data purposes. Please change it in your reporting.
