DEP AGREEMENT No: 99BO2
FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION
BUREAU OF BEACHES AND WETLAND RESOURCES
BEACH EROSION CONTROL PROGRAM
STATE OF FLORIDA
AMENDMENT TO GRANT AGREEMENT FOR
Hillsboro Inlet Management Plan Implementation

THIS AGREEMENT as entered into on the 7th day of January, 2000, and amended on the 19th day of July, 2002, between the FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION (hereinafter referred to as the "DEPARTMENT") whose address is 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 and the HILLSBORO INLET DISTRICT, whose address is 907 Hillsboro Mile, Hillsboro Beach, Florida 33062, a local government, (hereinafter referred to as the "LOCAL SPONSOR") is hereby amended:

WHEREAS, payment for work under this Agreement is based upon "satisfactory performance"; and,

WHEREAS, during the construction portion of the project, the LOCAL SPONSOR's contractor, in performing services under this Agreement, allegedly caused damage to offshore resources resulting in the DEPARTMENT issuing a Notice of Permit Violation, Cease and Desist Order on December 10, 2002; and,

WHEREAS, the LOCAL SPONSOR, voluntarily, and without prejudice, proposed a remediation response plan that was considered by the DEPARTMENT and the Cease and Desist portion of the Notice of Permit Violation was withdrawn; and,

WHEREAS, a Consent Order is in progress through the DEPARTMENT's Office of General Counsel, which shall delineate the mitigation responsibilities to be carried out by the LOCAL SPONSOR; and,

WHEREAS, the design, permitting and construction activity originally planned for this PROJECT is complete, and but for the alleged damage to offshore resources, has been satisfactorily performed; and,

WHEREAS, the DEPARTMENT has not made final payment to the LOCAL SPONSOR, and the amount of \$112,950.91 in retained funds remains payable to the LOCAL SPONSOR; and,

WHEREAS, in addition to the retained funds, \$537,171.04 remains encumbered and unspent under this Agreement; and,

WHEREAS, based upon the DEPARTMENT's review of the funding supporting this Agreement, it is in the best interest of the parties for the LOCAL SPONSOR to submit its final billing in order to request reimbursement of the applicable state share, and request for release of retained funds, along with a Certificate of Project Completion; and,

WHEREAS, upon the DEPARTMENT's receipt of a proper final billing, including a request for release of retained funds from the LOCAL SPONSOR, the DEPARTMENT agrees to conditionally remit to the LOCAL SPONSOR such funds owed to the LOCAL SPONSOR; and,

WHEREAS, said remittance shall be made to the LOCAL SPONSOR, provided that the LOCAL SPONSOR shall maintain the funds in an interest bearing escrow account; and shall remain unspent, until such time as the DEPARTMENT's Consent Order is issued, final and received by the LOCAL SPONSOR; and,

WHEREAS, the LOCAL SPONSOR agrees that to the extent necessary, the escrowed funds and interest accrued, shall be utilized for mapping and injury analysis, mitigation, repair, and/or monitoring of the damaged offshore resources before being used for any other purpose; and,

WHEREAS, modification to the Agreement is necessary to reflect the parties concurrence with the conditional payment of state funds under the Agreement, and to make other necessary changes as appropriate.

NOW, THEREFORE, the parties hereto agree as follows:

- Paragraphs 1 – 37 are hereby deleted in their entirety and replaced with the following:
- 1. The DEPARTMENT does hereby retain the LOCAL SPONSOR to implement the beach erosion control project known as the HILLSBORO INLET MANAGEMENT PLAN IMPLEMENTATION, (hereafter referred to as the PROJECT), as defined in Attachment A-1 (Project Work Plan), attached hereto and incorporated herein by reference, and the LOCAL SPONSOR does hereby agree to perform such services as are necessary to implement the PROJECT in accordance with the terms and conditions set forth in this Agreement, and all attachments and exhibits named herein which are attached hereto and incorporated by reference. For purposes of this Agreement, the terms "Contract" and "Agreement" are used interchangeably, and also the terms "Grantee", "Recipient" and "Local Sponsor" are used interchangeably.
- 2. This Agreement shall begin on January 7, 2000 and end on August 1, 2005. Pursuant to Section 161.101 (18), Florida Statutes, work conducted on this PROJECT by the LOCAL SPONSOR or its subcontractor beginning on or after October 1, 1995, shall be eligible for cost sharing by the DEPARTMENT.
- 3. The LOCAL SPONSOR shall perform the services in a proper and satisfactory manner as determined by the DEPARTMENT. Any and all equipment, products or materials necessary to perform these services, or requirements as further stated herein, shall be supplied by the LOCAL SPONSOR.
- 4. The State of Florida's performance and obligation to pay under this Agreement is contingent upon an annual appropriation by the Legislature and subject to the release of funds appropriated to the DEPARTMENT.
- 5. The LOCAL SPONSOR shall implement the PROJECT and complete said PROJECT upon the terms and conditions set forth in this Agreement and future requisite authorizations and environmental permits. The PROJECT consists of the excavation of Hillsboro Inlet to a depth of twenty feet NGVD (20') plus a two foot (2') overdredge. A twelve foot (12') depth is desired by the LOCAL SPONSOR for navigation purposes, and the additional eight feet (8') is to be utilized for sand storage.

The LOCAL SPONSOR shall develop a detailed Scope of Work for each eligible PROJECT item, as specified in Table 1 below. It is understood and agreed that the detailed Scope of Work shall include a narrative description of each task, a corresponding detailed budget and a project schedule.  - 6) That the DEPARTMENT shall not cost share, nor reimburse the LOCAL SPONSOR for, expenses associated with mitigation and repair of the offshore resources; and,
 - 7) That the DEPARTMENT reserves the right to extend this Agreement, if necessary, until such time as the LOCAL SPONSOR reaches full compliance with DEPARTMENT's Consent Order.
11. The DEPARTMENT's Project Manager shall have thirty (30) days after receipt of each billing to determine that the work has been accomplished in accordance with the terms and conditions of this Agreement prior to approving the billing for payment. It is understood and agreed that any request for reimbursement that requires the DEPARTMENT to request additional information of the LOCAL SPONSOR shall stop time for the DEPARTMENT's review period and the clock will not resume until such information is received as requested by the DEPARTMENT. Upon approval of the payment request the DEPARTMENT shall disburse the funds due the LOCAL SPONSOR less ten (10) percent which shall be retained on account. The DEPARTMENT may at any time, by written order designated to be a change order, make any change in the work within the general scope of this Agreement (e.g., specifications, time, method or manner of performance, requirements, etc.). All change orders are subject to the mutual agreement of both parties as evidenced in writing. Any change order which causes an increase or decrease in the LOCAL SPONSOR's cost or time shall require an appropriate adjustment and modification (formal amendment) to this Agreement.
 36. The LOCAL SPONSOR shall comply with all applicable federal, state and local rules and regulations in providing services to the DEPARTMENT under this Agreement. The LOCAL SPONSOR acknowledges that this requirement includes compliance with all applicable federal, state and local health and safety rules and regulations. The LOCAL SPONSOR further agrees to include this provision in all subcontracts issued as a result of this Agreement.
 37. If a force majeure occurs which causes delays or the reasonable likelihood of delay in the fulfillment of the requirements of this PROJECT Agreement, the LOCAL SPONSOR shall promptly notify the DEPARTMENT orally and shall, within seven (7) calendar days, notify the DEPARTMENT in writing of the anticipated length and cause of the delay, the measures taken or to be taken to minimize the delay, and the LOCAL SPONSOR's intended timetable for implementation of such measures. If the parties agree that the delay or anticipated delay was caused, or will be caused by a force majeure, time for performance under this PROJECT Agreement may be extended, at the discretion of the DEPARTMENT, for a period of time equal to the delay resulting from the force majeure. Such agreement shall be confirmed by letter from the DEPARTMENT accepting, or if necessary, modifying the extension. Failure to perform by the LOCAL SPONSOR's consultant(s) or subcontractor(s) shall not constitute a force majeure event.
 38. This Agreement represents the entire agreement of the parties. Any alterations, variations, changes, modifications or waivers of provisions of this Agreement shall only be valid when they have been reduced to writing, duly signed by each of the parties hereto, and attached to the original of this Agreement, unless otherwise provided herein.
- Attachment(s) A-E are hereby deleted in their entirety.
 - Attachment(s) A-1 through E-1 as attached hereto are hereby added to the Agreement.

In all other respects, the Agreement, of which this is an Amendment, and attachments relative thereto, shall remain in full force and effect.

IN WITNESS WHEREOF, the parties have caused these presents to be duly executed, the day and year last written below.

Comptroller Contract Payment Requirements Department of Banking and Finance, Bureau of Auditing Manual (10/07/97) Cost Reimbursement Contracts

Invoices for cost reimbursement contracts must be supported by an itemized listing of expenditures by category (salary, travel, expenses, etc.) Supporting documentation must be provided for each amount for which reimbursement is being claimed indicating that the item has been paid. Check numbers may be provided in lieu of copies of actual checks. Each piece of documentation should clearly reflect the dates of service. Only expenditures for categories in the approved contract budget should be reimbursed.

Listed below are examples of types of documentation representing the minimum requirements:

- (1) Salaries: A payroll register or similar documentation should be submitted. The payroll register should show gross salary charges, fringe benefits, other deductions and net pay. If an individual for whom reimbursement is being claimed is paid by the hour, a document reflecting the hours worked times the rate of pay will be acceptable.
- (2) Fringe Benefits: Fringe Benefits should be supported by invoices showing the amount paid on behalf of the employee (e.g., insurance premiums paid). If the contract specifically states that fringe benefits will be based on a specified percentage rather than the actual cost of fringe benefits, then the calculation for the fringe benefits amount must be shown.

Exception: Governmental entities are not required to provide check numbers or copies of checks for fringe benefits.
- (3) Travel: Reimbursement for travel must be in accordance with Section 112.061, Florida Statutes, which includes submission of the claim on the approved State travel voucher or electronic means.

By entering into this Agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of Environmental Protection. In the event the Department of Environmental Protection determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Comptroller or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in OMB Circular A-133, as revised.

1. In the event that the recipient expends \$300,000 or more in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of OMB Circular A-133, as revised. EXHIBIT 1 to this Agreement indicates Federal funds awarded through the Department of Environmental Protection by this Agreement. In determining the Federal awards expended in its fiscal year, the recipient shall consider all sources of Federal awards, including Federal resources received from the Department of Environmental Protection. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by OMB Circular A-133, as revised. An audit of the recipient conducted by the Auditor General in accordance with the provisions of OMB Circular A-133, as revised, will meet the requirements of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1., the recipient shall fulfill the requirements relative to auditee responsibilities as provided in Subpart C of OMB Circular A-133, as revised.
3. If the recipient expends less than \$300,000 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, is not required. In the event that the recipient expends less than \$300,000 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of OMB Circular A-133, as revised, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities).
4. The recipient may access information regarding the Catalog of Federal Domestic Assistance (CFDA) via the internet at <http://aspe.os.dhhs.gov/cfda>.

1. In the event that the recipient expends a total amount of State financial assistance equal to or in excess of \$300,000 in any fiscal year of such recipient, the recipient must have a State single or project-specific audit for such fiscal year in accordance with Section 215.97, Florida Statutes; applicable rules of the Executive Office of the Governor and the Comptroller; and Chapters 10.550 (local governmental entities) or 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. EXHIBIT 1 to this Agreement indicates State financial assistance awarded through the Department of Environmental Protection by this Agreement. In determining the State financial assistance expended in its fiscal year, the recipient shall consider all sources of State financial assistance, including State financial assistance received from the Department of Environmental Protection, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), Florida Statutes. 3. If the recipient expends less than \$300,000 in State financial assistance in its fiscal year, an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, is not required. In the event that the recipient expends less than \$300,000 in State financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of Section 215.97, Florida Statutes, the cost of the audit must be paid from the non-State entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

PART III: OTHER AUDIT REQUIREMENTS

(NOTE: This part would be used to specify any additional audit requirements imposed by the State awarding entity that are solely a matter of that State awarding entity's policy (i.e., the audit is not required by Federal or State laws and is not in conflict with other Federal or State audit requirements). Pursuant to Section 215.97(7)(m), Florida Statutes, State agencies may conduct or arrange for audits of State financial assistance that are in addition to audits conducted in accordance with Section 215.97, Florida Statutes.
