Dear Mr. Kleinmann:

All residuals generated in 2010 by the above referenced facilities for Lee County Utilities (LCU) were disposed of in an approved solid waste landfill. It is LCU's understanding of Title 40 Part 503, that the annual reporting requirement in Part 503 does not apply in cases where the residuals were not land applied, or placed in a surface disposal site. Therefore, LCU was not required to submit a Residual Annual Summary Report.

If you should have any questions regarding this notice or require additional information, please contact me at (239) 533-8181.

Cordially,

LEE COUNTY UTILITIES

Thomas Hill
Deputy Utilities Director

cc: Dennis Lang, Wastewater Manager LCU
