RE: Annual Residual Summery Report

Captain's Cove Permit # FLA014599 is a Waste Water Treatment Facility that Karle Enviro-Organic Recycling, Inc. has under contract. The biosolids from this WWTP are currently being **dewatered at our facility**. The sludge is disposed in a Class I or II solid waste landfill. This letter is their Residual Report for the 2011 year. The above facilities residuals have been hauled to WSI Waste Services, Inc. or Waste Management Okeechobee Landfill, Inc. for the 2011 reporting year. As required, all load manifest with weight tickets are at our office for review.

If you have any questions please call me at 239-693-6600 or 239-707-0555.

Sincerely,

A handwritten signature in black ink, appearing to read "Krish A. Alexander", is written over a horizontal line.

Krish A. Alexander, President

Karle Enviro-Organic Recycling, Inc.
