Public Meeting Agenda Introductory Stormwater Rulemaking Presentation and Outreach

Department of Environmental Protection

Two public meetings are being scheduled to provide an introductory stormwater presentation and outreach for the upcoming stormwater rule development by the Department and Water Management Districts. The presentation will include background information and request public input ahead of formally initiating rulemaking to update Florida's stormwater design and operation regulations as directed by Section 5 of Chapter 2020-150, L.O.F. To ensure safe public participation given COVID-19 social distancing requirements, the Department is providing these public meetings by webinar.

Interested Stakeholders should register for the date that works best for them, and may want to register for both dates. Register for the webinars at the following links:

Thursday, July 30, 2020, 2:00 p.m.
