LIMITED WARRANTY: The only warranties applying to the part(s) installed in accordance with this estimate and/or repair order are those that may be offered by the manufacturer. The seller, hereby expressly disclaims all warranties, either express or implied including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any person to assume for it any liability in connection with the sale of products or service sold under the terms of this estimate and/or repair order. Parts and labor are guaranteed for 12 months, regardless of mileage. Seller does not guarantee that the work performed in accordance with this estimate and/or repair order will correct any problem specified on the description of the complaint.

All parts installed on this vehicle are new or remanufactured except those indicated.

ENVIRONMENTAL IMPACT FEE: A standard charge for supplies, materials and expenses related to the handling and disposal of toxic and hazardous materials and wastes generated, and used in vehicle repair, is made on each repair order. The amount of this charge will be 5% of the total labor charge, up to a maximum of \$10.00. This will be shown in the lower right corner of the repair order in the space provided. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies or waste disposal. (s.559.904(4))

The State of Florida requires a \$1.00 fee to be collected for each new tire sold in the State (s.403.718) and a \$1.50 fee to be collected for each new or remanufactured battery sold in the state. (s.403.7185).

STORAGE CHARGES: No storage charge shall accrue or be due and payable for a period of 3 working days from the date you are notified that the work on your vehicle has been completed. After that date, the daily charge for storage of your vehicle will be \$15.00.

CANCELLATION OF REPAIRS: In the event the customer cancels the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless the customer waives reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle.

LIMITED WARRANTY: The only warranties applying to the part(s) installed in accordance with this estimate and/or repair order are those that may be offered by the manufacturer. The seller, hereby expressly disclaims all warranties, whether expressed or implied, including any implied warranty of merchantability or fitness for a particular purpose. The seller assumes no responsibility for any person who is injured or damaged by any vehicle or part installed by this seller or its employees or agents. The seller assumes no responsibility for any person who is injured or damaged by any vehicle or part installed by this seller or its employees or agents. The seller assumes no responsibility for any person who is injured or damaged by any vehicle or part installed by this seller or its employees or agents.

ENVIRONMENTAL IMPACT FEE: A standard charge for supplies, materials and expenses related to the handling and disposal of toxic and hazardous materials and wastes generated, and used in vehicle repair, is made on each repair order. The amount of this charge will be 2% of the total labor charge, up to a maximum of \$10.00. This will be shown in the lower right corner of the repair order in the space provided. This charge covers the costs and profits to the motor vehicle repair shop for the handling and disposal of these materials and wastes.

STORAGE CHARGES: No storage charge shall accrue or be due and payable for a period of 30 days from the date of completion of the repair order. If the vehicle has been completed and held for a period of 30 days or more, a storage charge of \$15.00 per day shall be assessed for each day of storage.

SALES TAX: Sales tax shall be assessed on the total amount of the repair order, including parts and labor.

SALES TAX EXEMPTION: If the vehicle is being repaired for a purpose that is exempt from sales tax, the customer must provide a valid exemption certificate to the seller at the time of the repair order.

SALES TAX REFUND: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall refund the sales tax on the repair order.

SALES TAX CREDIT: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall provide a sales tax credit on the repair order.

SALES TAX DEDUCTION: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall provide a sales tax deduction on the repair order.

SALES TAX EXEMPTION: If the vehicle is being repaired for a purpose that is exempt from sales tax, the customer must provide a valid exemption certificate to the seller at the time of the repair order.

SALES TAX REFUND: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall refund the sales tax on the repair order.

SALES TAX CREDIT: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall provide a sales tax credit on the repair order.

SALES TAX DEDUCTION: If the vehicle is being repaired for a purpose that is exempt from sales tax, and the customer provides a valid exemption certificate, the seller shall provide a sales tax deduction on the repair order.

LIMITED WARRANTY: The only warranties applying to the part(s) installed in accordance with this estimate and/or repair order are those that may be offered by the manufacturer. The seller, hereby expressly disclaims all warranties, either express or implied including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any person to assume for it any liability in connection with the sale of products or service sold under the terms of this estimate and/or repair order. Parts and labor are guaranteed for 12 months, regardless of mileage. Seller does not guarantee that the work performed in accordance with this estimate and/or repair order will correct any problem specified on the description of the complaint.

All parts installed on this vehicle are new or remanufactured accept those indicated.

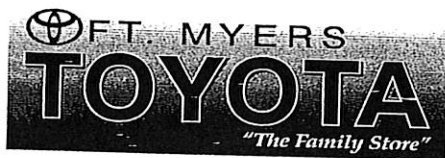

ENVIRONMENTAL IMPACT FEE: A standard charge for supplies, materials and expenses related to the handling and disposal of toxic and hazardous materials and wastes generated, and used in vehicle repair, is made on each repair order. The amount of this charge will be 5% of the total labor charge, up to a maximum of \$10.00. This will be shown in the lower right corner of the repair order in the space provided. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies or waste disposal. [s.559.904(4)]

The State of Florida requires a \$1.00 fee to be collected for each new tire sold in the State [s.403.718] and a \$1.50 fee to be collected for each new or remanufactured battery sold in the state. [s.403.7185].

STORAGE CHARGES: No storage charge shall accrue or be due and payable for a period of 3 working days from the date you are notified that the work on your vehicle has been completed. After that date, the daily charge for storage of your vehicle will be \$15.00.

CANCELLATION OF REPAIRS: In the event the customer cancels the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless the customer waives reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle.
