LIMITED WARRANTY: The only warranties applying to the part(s) installed in accordance with this estimate and/or repair order are those that may be offered by the manufacturer. The seller, hereby expressly disclaims all warranties, either express or implied including any implied warranty of merchantability or fitness for a particular purpose, and neither assumes nor authorizes any person to assume for it any liability in connection with the sale of products or service sold under the terms of this estimate and/or repair order. Parts and labor are guaranteed for 12 months, regardless of mileage. Seller does not guarantee that the work performed in accordance with this estimate and/or repair order will correct any problem specified on the description of the complaint.

ENVIRONMENTAL IMPACT FEE: A standard charge for supplies, materials and expenses related to the handling and disposal of toxic and hazardous materials and wastes generated, and used in vehicle repair, is made on each repair order. The amount of this charge will be 5% of the total labor charge, up to a maximum of \$10.00. This will be shown in the lower right corner of the repair order in the space provided. This charge represents costs and profits to the motor vehicle repair facility for miscellaneous shop supplies or waste disposal. [s.559.904(4)]

The State of Florida requires a \$1.00 fee to be collected for each new tire sold in the State [s.403.718] and a \$1.50 fee to be collected for each new or remanufactured battery sold in the state. [s.403.7185].

STORAGE CHARGES: No storage charge shall accrue or be due and payable for a period of 3 working days from the date you are notified that the work on your vehicle has been completed. After that date, the daily charge for storage of your vehicle will be \$15.00.

CANCELLATION OF REPAIRS: In the event the customer cancels the repair work, the vehicle shall be reassembled to a condition reasonably similar as when received unless the customer waives reassembly or the reassembled vehicle would be unsafe. The repair shop may charge for the cost of teardown, the cost of parts and labor to replace items destroyed by teardown and the cost to reassemble the vehicle.
