Re: Scholz Electric Generating Plant
Wastewater Permit #FL0002283

Dear Mr. Smith:

As we discussed by telephone on Monday, June 29, 1998, the report of our investigation into the cause of elevated nickel in one groundwater monitoring well at Plant Scholz will be submitted to the Department by July 2, 1998. This report will formalize and provide greater detail on the information that we presented verbally to the Department on May 26, 1998.

If you have any questions, please contact me at 850.444-6127 or Mike Markey at 850.444-6573.

Sincerely,

Rachel Terry

Re: Crist Electric Generating Plant
Wastewater Permit #FL0002275

Dear Ms. Ruth:

As we discussed by telephone on Thursday, June 25, 1998, the report concerning our investigation into radionuclides in groundwater and the Crist ash landfill will be submitted to the Department by July 17, 1998. This report will formalize and expand upon the information that we presented to the Department on May 26, 1998.

If you have any questions, please contact me at 850.444-6127 or Mike Markey at 850.444-6573.

Sincerely,

Rachel Terry
