Mettler PB 403-S/FACT, serial # 1128150043

Date	Material Weight or Weight Range	Lower Weight Value	Lower Weight Measured Value	Upper Weight Value	Upper Weight Measured Value	Check Weight ID	Weighed by: (Initials)	Comments

NOTE: Record g for grams; mg for milligrams
One lower value and one upper value check-weight can be used to bracket an event consisting of numerous measurements.
Additional check-weight measurements are required (per day) if more than two hours elapse between measurements.

Weight Tolerance - ≤ 5g = ± 0.2mg : > 5g ≤ 100g = ± 0.3mg
