

APPENDIX 10.2.6

AIR OPERATION PERMIT

NOTE: The existing Port Everglades Plant is authorized to operate under Final Title V Permit No. 0110036-009-AV issued by FDEP effective December 31, 2013. Once PEEC becomes operational, a Title V revision will be requested for the modernized Plant. The application for the Title V revision for PEEC will be submitted pursuant to the FDEP rules in 62-213.420 Florida Administrative Code.

The Clean Air Interstate Rule (CAIR) part of the Title V Permit was issued as part of the Final Title V Permit No. 0110036-009-AV.
