Mr. M. T. Irvine
Executive Director
Florida Public Service Commission
700 South Adams
Tallahassee, Florida 32301

Dear Mr. Irvine:

The Florida Department of Pollution Control has received an application for site certification for a steam electric power plant as submitted by Florida Power and Light Company for expansion at their Palatka Plant location. It is requested that your agency submit to us your evaluation of the need for this additional electrical generating capacity as prescribed by section 403.507 F.S. It is also requested that such evaluation be submitted as soon as practical, but no later than March 4, 1974.

Attached is a copy of Florida Power and Light's application.

Sincerely yours,

Hamilton S. Oven, Jr.
Deputy Executive Director

Mr. Earl M. Starnes
State Planning Director
Division of State Planning
725 South Bronough
Tallahassee, Florida 32304

Dear Mr. Starnes:

The Florida Department of Pollution Control has received an application for site certification for a steam electric power plant as submitted by Florida Power and Light for an expansion at their Palatka Plant location.

It is requested that your agency review this attached proposal and submit your comments on said proposal as soon as practical, but no later than March 4, 1974. While you may not have received and/or approved any Ten Year Site Plans, we would appreciate your agency's comments as to land use and regional impact.

Sincerely yours,

Hamilton S. Oven, Jr.
Deputy Executive Director
