RE: Pollution Control Devices
Folio No. 15467.0000

Dear Mr. Boehmer:

The CFC refrigerant recovery system listed by the Trane Company is eligible for consideration as pollution control equipment under section 193.621, Florida Statutes.

Sincerely,

Hamilton S. Oven

RE: Pollution Control Devices
Folio Number 15467.0000

Dear Mr. Oven:

Enclosed is a copy of a "Return of Pollution Control Devices" for Tampa Bay Trane Service. Their tangible return indicates they are in the business of servicing commercial air-conditioning systems.

Please review the enclosed and provide me with your recommendation as to whether they qualify to receive special classification of their devices pursuant to Florida Statutes.

Sincerely,

Ron Alderman, ASA, CFA
Hillsborough County Property Appraiser

RE: Pollution Control Devices
Folio Number 15467.0000

Dear Mr. Cohn:

Your Tangible Personal Property Tax Return has been received and it indicates pollution control devices. Pursuant to Florida Statutes we require the following information be provided on the enclosed form (DR-492):

- Year of installation;
- Complete installed cost less sales tax;
- Complete description of the facility or devices and how they control pollution;
- Element controlled (air, water, etc.); and
- Certification of a professional engineer registered in the State of Florida that the above information is correct.

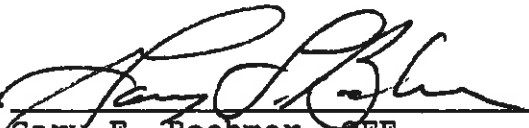

Should we have any doubt whether you are entitled to this special classification, we may refer the matter to the Department of Environmental Regulation for their recommendation.

As always, if you have any questions regarding the above, don't hesitate to give me a call.

Sincerely,

Ron Alderman, ASA, CFA
