Re: Acct. 842036 - Anderson Columbia Co., Inc. - Pollution Control Devices

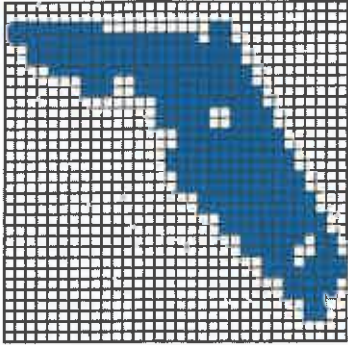

Dear Mrs. Denton:

I have reviewed the Return of Pollution Control Equipment for the Anderson Columbia Co., as attached to your letter of August 10, 2000. In my opinion the Baghouse/Cyclone is an air pollution control system primarily for the purpose of pollution control and therefore is eligible for assessment as a pollution control device pursuant to Section 193.621, Florida Statutes.

If I can be of any further assistance in this matter, please contact me at Suncom 277-0472 or (850) 487-0472.

Sincerely,

Hamilton S. Oven
