Dear Mr. Hilton;

We have received a D. R. - 492 from **Pavex Corp.** requesting that the attached list of items be classified as Pollution Control Equipment.

Please inform us whether each item is pollution control equipment or not, pursuant to Section 193.621, Florida Statute. I would like to accompany you when you visit to make your determination. Your prompt review of these items will be greatly appreciated.

If you have any questions or need additional information about the equipment regarding this matter, please do not hesitate to contact me at (941) 534 - 4777 ext 3373.

Sincerely,

Randy Barnes
Deputy Appraiser III
