Re: CDR Systems Acct. 837532 - Pollution Control Devices

Dear Mrs. Denton:

I have reviewed the information from CDR Systems Corporation concerning pollution control devices. It appears that the equipment listed as eligible by Albert O. Kaeding, P.E. is primarily for the purpose of pollution control pursuant to § 193.621, Florida Statutes and Rule 62-8, Florida Administrative Code.

If I can be of any further assistance in this matter, please contact me at Suncom 277-0472 or (850) 487-0472.

Sincerely,

Hamilton S. Oven

RE: CDR Systems Acct 837532

Dear Mr. Oven:

Enclosed you will find the Return of Pollution Control Devices for the above referenced account in our county. All the assets listed as ages 1995 thru 1998 you have previously reviewed and approved. They have reclassified the water eater and cabinet-sand blasting as pollution control on this years return.

Would you please review these items and advise me if they qualify for assessment as pollution control devices under Section 193.621, Florida Statutes. If you need any additional information, let me know. Thank you for your assistance.

Sincerely,

(Mrs.) Marsha B. Denton, C.F.E.
Office Operations Supervisor

OUR COMMITMENT TO YOU . . .

We in Putnam County are a team of public employees who provide services to help meet the needs of our citizens. We are committed to continuous improvement and greater participation by everyone. We will deliver our services in a meaningful, respectful, and courteous manner. We will do this now and in the future to preserve and enhance the quality of life in our community.
