RE: Crystal River Energy Complex Units 3, 4 & 5
DEP Case Number PA 77-09
Post-certification Amendment dated January 26, 2009

Mr. Shrader:

On January 27, 2009 the Florida Department of Environmental Protection's Siting Coordination Office (Department) received a request for a post-certification amendment to the Site Certification Application for Progress Energy Florida's (PEF) Crystal River Energy Complex Units 3, 4 & 5 for temporary placement of two office trailers adjacent to Unit 3.

The temporary trailers (or modular buildings) are necessary for implementation of the previously approved Unit 3 Uprate Project. The dimensions of the trailers (177' 8" X 51' 6") require placement on continuous concrete footings. According to the submitted information, the addition of the trailers will not have a significant effect on the quantity or quality of stormwater runoff from the site. Additionally, there will be no sanitary wastewater or potable water connections to the buildings.

A site analysis performed for this proposed project indicated that the existing receiving stormwater collection system does not meet current design criteria. Accordingly, PEF included in the submitted proposal design modifications to upgrade the stormwater collection system to current standards.

Pursuant to Section 62-17.205(1), F.A.C., the Department has determined that this request is an amendment to the application that will not require modification to the Conditions of Certification (COC) for the facility. However, this approval is contingent upon PEF completing any necessary modifications to the existing stormwater collection system as required by the Department's Southwest District Office (SWD). Design plans, stormwater calculations, etc. for the improvements to the stormwater collection system shall be reviewed and approved by the SWD pursuant to "Postcertification Amendments and Review" 403.5113 (2), Florida Statutes.

PEF shall, within 30 days following approval by the SWD, commence modification of the stormwater collection system and provide notice to both the DEP's SWD and Siting Offices. Stormwater modifications/upgrades shall be completed expeditiously.

An extension of time to commence the stormwater upgrade shall be granted by the Siting Office only after good cause for an extension of time to commence the project has been shown.

Failure to comply with the terms of this approval shall constitute a violation of the Conditions of Certification for this facility, and may result in enforcement action by the Department. The Department's

Order shall become final unless a timely petition for an administrative hearing is filed under sections 120.569 and 120.57, Florida Statutes ("F.S."), within 21 days of receipt of this Order. The procedures for petitioning for a hearing are set forth below.

Persons affected by this Order have the following options:

If you choose to accept the above decision by the Department concerning the post-certification amendment you do not have to do anything. This Order is final and effective as of the date on the top of the first page of this Order.

If you disagree with the decision, you may do one of the following:

1. File a petition for administrative hearing with the Department's Office of General Counsel within 21 days of receipt of this Order; or
2. File a request for an extension of time to file a petition for hearing with the Department's Office of General Counsel within **21** days of receipt of this Order. Such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for hearing.

Please be advised that mediation of this decision pursuant to section 120.573, Florida Statutes ("F.S."), is not available.

How to Request an Extension of Time to File a Petition for Hearing

For good cause shown, pursuant to rule 62-110.106(4), Florida Administrative Code ("F.A.C."), the Department may grant a request for an extension of time to file a petition for hearing. Such a request must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the request to the addressee at the time of filing. Timely filing a request for an extension of time tolls the time period within which a petition for administrative hearing must be made.

How to File a Petition for Administrative Hearing

A person whose substantial interests are affected by this Order may petition for an administrative proceeding (hearing) under sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the petition to the addressee at the time of filing. Failure to file a petition within this time period shall waive the right of anyone who may request an administrative hearing under sections 120.569 and 120.57, F.S.

Pursuant to subsections 120.54(5)(b)4 and 120.569(2), F.S. and rule 28-106.201, F.A.C., a petition for administrative hearing shall contain the following information:

- a) The name, address, and telephone number of each petitioner, the name, address, and telephone number of the petitioner's representative, if any, the site owner's name and address, if different from the petitioner, the DEP facility number, and the name and address of the facility;
- b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- c) An explanation of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- d) A statement of the material facts disputed by the petitioner, or a statement that there are no disputed facts;

- e) A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the Department's action or proposed action;
- f) A statement of the specific rules or statutes the petitioner contends requires reversal or modification of the Department's action or proposed action; and
- g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's action or proposed action.

This Order is final and effective as of the date on the top of the first page of this Order. Timely filing a petition for administrative hearing postpones the date this Order takes effect until the Department issues either a final order pursuant to an administrative hearing or an Order Responding to Supplemental Information provided to the Department pursuant to meetings with the Department.

Judicial Review

Any party to this Order has the right to seek judicial review of it under section 120.68, F.S., by filing a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the clerk of the Department in the Office of General Counsel, Mail Station 35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000, and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within thirty days after this order is filed with the clerk of the Department (see below).

Questions

Any questions regarding the Department's review of your post-certification amendment should be directed to Michael P. Halpin, P.E. at (850) 245-2002. Questions regarding legal issues should be referred to the Department's Office of General Counsel at (850) 245-2242. Contact with any of the above does not constitute a petition for administrative hearing or request for an extension of time to file a petition for administrative hearing.

Sincerely,

Michael P. Halpin, P.E.
Administrator,
Siting Coordination Office
