RE: Crystal River Energy Complex Units 3, 4, & 5
Request for Amendment to PA77-09 dated August 5, 2010
Unit 4 & 5 Percolation Pond Maintenance

Dear Mr. Shrader:

The Florida Department of Environmental Protection's Siting Coordination Office (Department) received a request for a post certification amendment (dated August 5, 2010) to the Progress Energy Florida, Inc (PEF) Site Certification Application (PA77-09) for the necessary maintenance of the Unit 4 & 5 industrial waste water percolation pond at the Crystal River Energy Complex.

Pursuant to Section 62-17.205(c), F.A.C., the Department has determined that this request is an amendment to the application that will not require modification to the Conditions of Certification (COC) for the facility. Maintenance will include dewatering of the Unit 4 & 5 pond into the FGD blowdown treatment sump and ultimately into the CR123 percolation pond system. Silt and solids will be either placed in the on-site ash landfill or hauled to an offsite landfill.

Based on the review of the PEF August 5th submittal, the Department has no objections to the above request provided that:

1. PEF shall continue to comply with all existing requirements of its Conditions of Certification.
2. Maintenance of the Unit 4 & 5 percolation pond will be carried out as described in the IWW Percolation Pond Cleanout Protocol attached to the PEF August 5, 2010 submittal.
3. Maintenance of the pond shall not extend beyond October 31, 2010. PEF may request an extension of time to complete pond maintenance, subject to the approval of the Department.
4. The Coal Combustion Product/Solid Materials Management Plan revised April 14, 2010 (CCP management plan) indicates that the IWW pond dredge material will be disposed off-site. If the on-site silt and solids disposal option is utilized, PEF shall submit within 30 days of this approval a revised CCP management plan to the Southwest District Office and an electronic copy to the Siting Office reflecting the change.

The Department's Order shall become final unless a timely petition for an administrative hearing is filed under sections 120.569 and 120.57, Florida Statutes ("F.S."), within 21 days of receipt of this Order. The procedures for petitioning for a hearing are set forth below.

Persons affected by this Order have the following options:

If you choose to accept the above decision by the Department concerning the postcertification amendment you do not have to do anything. This Order is final and effective as of the date on the top of the first page of this Order.

If you disagree with the decision, you may do one of the following:

1. File a petition for administrative hearing with the Department's Office of General Counsel within 21 days of receipt of this Order; or
2. File a request for an extension of time to file a petition for hearing with the Department's Office of General Counsel within **21** days of receipt of this Order. Such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for hearing.

Please be advised that mediation of this decision pursuant to section 120.573, Florida Statutes ("F.S."), is not available.

How to Request an Extension of Time to File a Petition for Hearing

For good cause shown, pursuant to rule 62-110.106(4), Florida Administrative Code ("F.A.C."), the Department may grant a request for an extension of time to file a petition for hearing. Such a request must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the request to the addressee at the time of filing. Timely filing a request for an extension of time tolls the time period within which a petition for administrative hearing must be made.

How to File a Petition for Administrative Hearing

A person whose substantial interests are affected by this Order may petition for an administrative proceeding (hearing) under sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the petition to the addressee at the time of filing. Failure to file a petition within this time period shall waive the right of anyone who may request an administrative hearing under sections 120.569 and 120.57, F.S.

Pursuant to subsections 120.54(5)(b)4 and 120.569(2), F.S. and rule 28-106.201, F.A.C., a petition for administrative hearing shall contain the following information:

- a) The name, address, and telephone number of each petitioner, the name, address, and telephone number of the petitioner's representative, if any, the site owner's name and address, if different from the petitioner, the DEP facility number, and the name and address of the facility;
- b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- c) An explanation of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- d) A statement of the material facts disputed by the petitioner, or a statement that there are no disputed facts;
- e) A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the Department's action or proposed action;
- f) A statement of the specific rules or statutes the petitioner contends requires reversal or modification of the Department's action or proposed action; and

- g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's action or proposed action.

This Order is final and effective as of the date on the top of the first page of this Order. Timely filing a petition for administrative hearing postpones the date this Order takes effect until the Department issues either a final order pursuant to an administrative hearing or an Order Responding to Supplemental Information provided to the Department pursuant to meetings with the Department.
