CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Ms. Farzie Shelton
City of Lakeland
Department of Electric Utilities
501 East Lemon Street
Lakeland, FL 33801-5050

RE: City of Lakeland
C.D. McIntosh, Jr., Power Plant
DEP Case Number PA74-06
Post-certification Amendment

Dear Ms. Shelton:

On March 10, 2006 Lakeland Electric received a modification to air construction permit (PSD-FL-008) to convert the existing Flue Gas Desulfurization System (FGD) of the C.D. McIntosh, Jr. Power Plant Unit No. 3 to forced oxidation enabling the production of commercial grade gypsum suitable for use by the cement industry. On April 24, 2006 a Final Order Modifying Conditions of Certification was issued to reflect the addition of the forced oxidation system and to incorporate (by reference) the new air construction permit.

Concurrently with the above described modification, revisions to the C.D. McIntosh Power Plant Combustion By-Product Storage Facility Operations Manual (Operations Manual) were proposed (Revision 2, January 3, 2006) to reflect operational changes implemented at the onsite combustion byproduct storage facility. Lakeland Electric has been operating the onsite landfill in accordance with the 2006 requested changes to the Operations Manual. Lakeland Electric has requested, for future clarification, recognition that the past revisions to the Operations Manual are recognized as an amendment to the application. The Department's Southwest District Office (SWD) may require certain updates/refinements to the existing Operations Manual including supporting information. Please coordinate with the SWD Solid Waste Program to implement any necessary changes. All communications regarding this issue should be copied to the Siting Coordination Office.

Pursuant to Section 62-17.205(c), F.A.C., the Department has determined that this request is an amendment to the application that will not require modification to the Conditions of Certification (COC) for the facility.

The Department's Order shall become final unless a timely petition for an administrative hearing is filed under sections 120.569 and 120.57, Florida Statutes ("F.S."), within 21 days of receipt of this Order. The procedures for petitioning for a hearing are set forth below.

Persons affected by this Order have the following options:

If you choose to accept the above decision by the Department concerning the postcertification amendment you do not have to do anything. This Order is final and effective as of the date on the top of the first page of this Order.

If you disagree with the decision, you may do one of the following:

1. File a petition for administrative hearing with the Department's Office of General Counsel within 21 days of receipt of this Order; or
2. File a request for an extension of time to file a petition for hearing with the Department's Office of General Counsel within **21** days of receipt of this Order. Such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for hearing.

Please be advised that mediation of this decision pursuant to section 120.573, Florida Statutes ("F.S."), is not available.

How to Request an Extension of Time to File a Petition for Hearing

For good cause shown, pursuant to rule 62-110.106(4), Florida Administrative Code ("F.A.C."), the Department may grant a request for an extension of time to file a petition for hearing. Such a request must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, Mail Station 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the request to the addressee at the time of filing. Timely filing a request for an extension of time tolls the time period within which a petition for administrative hearing must be made.

How to File a Petition for Administrative Hearing

A person whose substantial interests are affected by this Order may petition for an administrative proceeding (hearing) under sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this Order. Petitioner, if different from the addressee, shall mail a copy of the petition to the addressee at the time of filing. Failure to file a petition within this time period shall waive the right of anyone who may request an administrative hearing under sections 120.569 and 120.57, F.S.

Pursuant to subsections 120.54(5)(b)4 and 120.569(2), F.S. and rule 28-106.201, F.A.C., a petition for administrative hearing shall contain the following information:

- a) The name, address, and telephone number of each petitioner, the name, address, and telephone number of the petitioner's representative, if any, the site owner's name and address, if different from the petitioner, the DEP facility number, and the name and address of the facility;
- b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- c) An explanation of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- d) A statement of the material facts disputed by the petitioner, or a statement that there are no disputed facts;
- e) A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the Department's action or proposed action;
- f) A statement of the specific rules or statutes the petitioner contends requires reversal or modification of the Department's action or proposed action; and
- g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's action or proposed action.

This Order is final and effective as of the date on the top of the first page of this Order. Timely filing a petition for administrative hearing postpones the date this Order takes effect until the Department issues either a final order pursuant to an administrative hearing or an Order Responding to Supplemental Information provided to the Department pursuant to meetings with the Department.
