RE: Pasco County Resource Recovery Facility
Modification to Conditions of Certification
DEP Case Number PA87-23D
OGC Case Number 19-0234

FINAL ORDER MODIFYING CONDITIONS OF CERTIFICATION

Dear Mr. Power:

On August 24, 1988, the Florida Siting Board issued a Site Certification to Pasco County (Pasco) for the construction, operation, and maintenance of the Pasco County Resource Recovery Facility (PCRRF). The Department of Environmental Protection (Department) has modified the Conditions of Certification (Conditions) for PCRRF by Final Order on three other occasions.

The Department has reviewed Pasco's petition, dated February 6, 2019, for a modification to the PCRRF's Site Certification order pursuant to §403.516(1)(c), Florida Statutes (F.S.), to incorporate a previously approved Beneficial Ash Reuse Program and a revised Landfill Operations Plan.

On April 24, 2019, all parties to the certification proceeding were provided a notice of the Department's intent to modify the Conditions for PCRRF. On May 7, 2019, notice of the Department's intent to modify the Conditions for PCRRF was also published in the Florida Administrative Register (FAR).

Pursuant to §403.516, F.S., and Rule 62-17.211, Florida Administrative Code (F.A.C.), all parties to the certification proceeding have 45 days from the issuance of notice in which to

file a written objection to the modification. Pursuant to §403.516, F.S., and Rule 62-17.211, F.A.C., any person who is not already a party to the certification proceeding and whose substantial interests will be affected by the requested modification has 30 days from the date of publication of the public notice in the FAR to object in writing. Failure to act within the time frame constitutes a waiver of the right to become a party. These timeframes have expired and no objections to the modification have been received by the Department. The final Conditions of Certification (including attachments) may be viewed and obtained from the following website:

http://publicfiles.dep.state.fl.us/Siting/Outgoing/Web/Certification/pa87_23_2019_D.pdf.

Copies of the Conditions and/or attachments may also be obtained by contacting the Department of Environmental Protection, Siting Coordination Office, 2600 Blair Stone Rd., M.S. 5500, Tallahassee, Florida, (850) 717-9000.

Any party to the this Order has a right to seek judicial review of it pursuant to §120.68, F.S., by filing a Notice of Appeal, pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department of Environmental Protection in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000, and by filing a copy of the Notice of Appeal, accompanied by the applicable filing fees, with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this Order is filed with the Clerk of the Department of Environmental Protection.

Sincerely,

Cindy Mulkey
Administrator,
Siting Coordination Office
