CERTIFICATION ORDER

BY THE BOARD:

The Board, having heard presentations by the parties,
having reviewed the Recommended Order dated June 12, 1979 (Exhibit
A), as well as the Conditions of Certification referred to therein
and attached thereto, and having been otherwise fully advised
herein, order:

1. The Findings of Fact and Conclusions of Law contained
in the Recommended Order are specifically approved and adopted.
2. The Recommended Order is adopted and certification is
granted to Pinellas County for the construction and operation of the
resource recovery facility, the associated facilities and the directly
associated transmission line, as proposed in the amended application

and fully described in the record of this proceeding. Such certification is made subject to the conditions attached to the Recommended Order and to this Certification Order as Exhibit I.

3. The word "sewage" which appears on page 4, line 4, of Finding of Fact number 3 in the Recommended Order is a scribener's error which should be and is hereby deleted. In its place and stead is substituted the appropriate word, "storage".
