ORDER MODIFYING CONDITIONS OF CERTIFICATION

Dear Ms. Linkiewicz:

The Florida Pollution Control Board issued the Site Certification for the Putnam Plant on October 16, 1974. On October 29, 2003, the Department issued DEP Permit 1070014-005-AV for the Putnam Plant. Pursuant to Rule 62-17.211(4), the Department is required to modify the Conditions of Certification for this facility to include reference to the Title V Permit and any further modifications and/or amendments that may follow.

On or before October 21, 2005, all parties to the certification proceeding were provided with notice by certified mail of the Department's intent to modify the Conditions of Certification for Modification M for this facility, along with a copy of the proposed Order Modifying Conditions of Certification. On October 21, 2005, a notice of the Department's intent to modify the Conditions of Certification for this facility was published on the Department's website and on the Department's internet home page at <http://www.dep.state.fl.us/> under the link or button titled "Official Notices" regarding this Intent to Modify the Conditions of Certification. Those notices specified that pursuant to Section 403.516, F.S., and Rule 62-17.211, F.A.C., all parties to the certification proceeding have 45 days from the issuance of the notice by mail to such party's last address of record in which file a written objection to the modification; that failure of any of the parties to file a response will constitute a waiver of objection to the modification; and that any person who is not already a party to the certification proceeding and whose substantial interests will be affected by the requested modification has 30 days from the date of publication of the public notice to object in writing.

No objections to the modification have been received by the Department. The Conditions of Certification for the Putnam Plant are hereby modified as follows:

All references to 'permittee' are changed to 'licensee'.

Format changes have been made to the outline numbering. The Table of Contents reflects those changes.

I. Fuel

Putnam Plant shall be operated in accordance with Title V Air Operation Permit No. 1070014-005-AV and any subsequent modifications and/or amendments made to the Title V Permit and Chapters 62-210, 62-212, 62-213, 62-296, and 62-297, F.A.C.

No other changes.

Any party to the this Order has a right to seek judicial review of it pursuant to Section 120.68, Florida Statutes by filing a Notice of Appeal, pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department of Environmental Protection in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000, and by filing a copy of the Notice of Appeal, accompanied by the applicable filing fees, with the appropriate District Court of Appeal. The Notice of Appeal must be filed within thirty days from the date this Order is filed with the Clerk of the Department of Environmental Protection.

Executed in Tallahassee, Florida.
