RE: JEA St. Johns River Power Park
Modification to Conditions of Certification
DEP Case Number PA 81-13Q
OGC Case Number 23-0317

FINAL ORDER MODIFYING CONDITIONS OF CERTIFICATION

Mr. Holbrooks:

On July 8, 1982, the Governor and Cabinet issued a Site Certification to Jacksonville Electric Authority (JEA) for the St. Johns River Power Park (SJRPP). The Department has modified the Conditions of Certification (Conditions) for Treasure Coast by Final Order on sixteen other occasions. Pursuant to Section 403.516(1)(c), Florida Statutes (F.S.), the Department has initiated a modification to SJRPP's Conditions to reduce the certified site boundary to reflect the state of the site post-demolition, and to update antiquated specific conditions that are no longer applicable or consistent with current regulations. The facility's Groundwater Monitoring Requirements and Plan have also been updated by this modification.

On September 14, 2023, all parties to the certification proceeding were provided notice of the Department's intent to modify the Conditions for SJRPP. On September 15, 2023, notice of the Department's intent to modify the Conditions for SJRPP was also published in the Florida Administrative Register (FAR).

Pursuant to Section 403.516, F.S., and Rule 62-17.211, Florida Administrative Code (F.A.C.), all parties to the certification proceeding have 45 days from the issuance of notice in which to file a written objection to the modification. Pursuant to Section

403.516, F.S., and Rule 62-17.211, F.A.C., any person who is not already a party to the certification proceeding and whose substantial interests will be affected by the requested modification has 30 days from the date of publication of the public notice in the FAR to object in writing. Failure to act within the time frame constitutes a waiver of the right to become a party.

These timeframes have expired and no objections to the modification have been received by the Department. Therefore, the Conditions for SJRPP are modified as described in the Department's Notice of Intent to Modify the Conditions of Certification dated September 14, 2023, which can be downloaded from the following file transfer protocol (ftp) site: http://publicfiles.dep.state.fl.us/Siting/Outgoing/JEA%20STJRPP/Modifications/ModQ/20230914JEASJRPPModQSiteReductionNOI_Clerked.pdf.

The final version of the modified Conditions (including attachments) can be viewed and obtained from the following website: <http://publicfiles.dep.state.fl.us/Siting/Outgoing/JEA%20STJRPP/Modifications/ModQ/Conditions/20231026FinalModQConditionsJEASJRPP.pdf>

Copies of the Conditions and/or attachments may also be obtained by contacting the Department of Environmental Protection, Siting Coordination Office, 2600 Blair Stone Road, M.S. 3500, Tallahassee, Florida 32399-2400, (850) 717-9000.

Any party to this Order has a right to seek judicial review of it pursuant to Section 120.68, F.S. by filing a Notice of Appeal, pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department of Environmental Protection in the Office of General Counsel, 3900 Commonwealth Boulevard, M.S. 35, Tallahassee, Florida 32399-3000, and by filing a copy of the Notice of Appeal, accompanied by the applicable filing fees, with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 days from the date this Order is filed with the Clerk of the Department of Environmental Protection.

Sincerely,

Cindy Mulkey
Deputy Director Water Resource Management
