RE: Turkey Point Plant Units 3, 4 & 5 (PA 03-45)
Amendment Request (AM12-038)
Dry Storage Building

Dear Mr. Raffenberg:

On October 18, 2012, the Florida Department of Environmental Protection (Department), Siting Coordination Office received a request from Florida Power & Light Company (FPL) for a post-certification amendment to the Turkey Point Plant Units 3-5 Site Certification Application (SCA). The amendment request is for the construction of a dry storage building at Turkey Point Unit 5 for the purpose of storing capital spare parts.

All relevant agencies listed in 403.508, Florida Statutes (F.S.) were notified of the requested amendment. As indicated in the amendment request, the project does not necessitate modification of the facility's existing stormwater management system. The project area drains to the cooling canal system which is permitted under NPDES Permit No. FL0001562.

During the review of this amendment request, Miami-Dade County identified the need to ensure that the proposed project comply with the applicable county codes and ordinances amended subsequent to 2003. An update to the relevant Conditions of Certification (COCs) will be appropriately handled by inclusion in the next modification to the COCs. In the interim, the construction and operation of the certified facilities shall be in accordance with all applicable non-procedural requirements of the laws and ordinances of Miami-Dade County.

Based on a review of the information submitted on October 18, 2012, the Department has determined that this proposal is a post-certification amendment to the Turkey Point SCA pursuant to subsection 62-17.205(1), Florida Administrative Code (F.A.C.). The Department has no objection to the proposed activity and hereby approves the amendment request provided that FPL:

- 1) Continues to comply with the existing COCs for the facility;

November 15, 2012

- 2) Continues to comply with the requirements of NPDES Permit No. FL0001562;
- 3) Complies with all currently applicable nonprocedural requirements of the laws and ordinances of Miami-Dade County; and
- 4) Complies with all applicable nonprocedural requirements of Rule 64E-6.0101, F.A.C., for the proposed underground sanitary waste holding tank associated with the dry storage building, including but not limited to the requirements that only domestic wastewater be discharged to the holding tank and that wastewater pumped from the holding tank be hauled off site by an approved septage hauling company.

The Department's order shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S., within **21** days of receipt of this order. The procedures for petitioning for a hearing are set forth below.

Persons affected by this order have the following options:

If you choose to accept the above decision by the Department concerning the post-certification amendment you do not have to do anything. This order is final and effective as of the date on the top of the first page of this order.

If you disagree with the decision, you may do one of the following:

1. File a petition for administrative hearing with the Department's Office of General Counsel within **21** days of receipt of this order; or
2. File a request for an extension of time to file a petition for hearing with the Department's Office of General Counsel within **21** days of receipt of this order. Such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for hearing.

Please be advised that mediation of this decision pursuant to Section 120.573, F.S., is not available.

How to Request an Extension of Time to File a Petition for Hearing

For good cause shown, pursuant to subsection 62-110.106(4), F.A.C., the Department may grant a request for an extension of time to file a petition for hearing. Such a request must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this order. Petitioner, if different from the addressee, shall mail a copy of the request to the addressee at the time of filing. Timely filing a request for an extension of time tolls the time period within which a petition for administrative hearing must be made.

How to File a Petition for Administrative Hearing

November 15, 2012

A person whose substantial interests are affected by this order may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this order. Petitioner, if different from the addressee, shall mail a copy of the petition to the addressee at the time of filing. Failure to file a petition within this time period shall waive the right of anyone who may request an administrative hearing under Sections 120.569 and 120.57, F.S.

Pursuant to Sections 120.54(5)(b)4 and 120.569(2), F.S. and Rule 28-106.201, F.A.C., a petition for administrative hearing shall contain the following information:

- b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- c) An explanation of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- d) A statement of the material facts disputed by the petitioner, or a statement that there are no disputed facts;
- e) A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the Department's action or proposed action;
- f) A statement of the specific rules or statutes the petitioner contends requires reversal or modification of the Department's action or proposed action; and
- g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's action or proposed action.

This order is final and effective as of the date on the top of the first page of this order. Timely filing a petition for administrative hearing postpones the date this order takes effect until the Department issues either a final order pursuant to an administrative hearing or an order responding to supplemental information provided to the Department pursuant to meetings with the Department.
