RE: Turkey Point Plant Units 3 and 4 (PA 03-45)
Amendment Request (AM14-073)
Installation of Fukushima Response Flex Building

Dear Mr. Raffenberg:

On June 6, 2014, the Florida Department of Environmental Protection's (Department) Siting Coordination Office received a request from Florida Power and Light (FPL) for a post-certification amendment to the Turkey Point Plant Units 3 and 4 (TPP – 3 & 4) Site Certification Application (SCA). The amendment request is for the installation of a U.S. Nuclear Regulatory Commission (NRC) mandated Flexible Storage Building to store emergency response equipment.

Based on a review of the information submitted on June 6, 2014, the Department has determined that this proposal has been properly characterized as an amendment, as it requests a material change to FPL's SCA pursuant to Section 403.5113(1), Florida Statute (F.S.), but does not require modification to the SCA. This letter serves as notification of the approval of the proposed amendment.

Following the Fukushima Dai-ichi accident in Japan in 2011, the NRC issued an order to require nuclear power plants to adopt a three-phased approach for mitigating "beyond design basis" external events. The Flex building construction and use will meet the Phase 2 coping strategy requirements from the NRC order. The construction of the Flex Building is exempt from the Florida Building Code pursuant to Section 102.2(a) of the Florida Building Code which states:

"The following buildings, structures and facilities are exempt from the Florida Building Code as provided by law, and any further exemptions shall be determined by the legislature and provided by law:

(a) *Building and structures specifically regulated and preempted by the federal government.*"

Failure to comply with all existing requirements of the Conditions of Certification, pursuant to section 403.514, F.S. shall constitute a violation of Chapter 403. The Department's notification shall become final unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, Florida Statutes (F.S.), within **21** days of receipt of this order. The procedures for petitioning for a hearing are set forth below.

Persons affected by this order have the following options:

If you choose to accept the above decision by the Department concerning the post certification amendment you do not have to do anything. This order is final and effective as of the date on the top of the first page of this order.

If you disagree with the decision, you may do one of the following:

1. File a petition for administrative hearing with the Department's Office of General Counsel within **21** days of receipt of this order; or
2. File a request for an extension of time to file a petition for hearing with the Department's Office of General Counsel within **21** days of receipt of this order. Such a request should be made if you wish to meet with the Department in an attempt to informally resolve any disputes without first filing a petition for hearing.

Please be advised that mediation of this decision pursuant to Section 120.573, F.S., is not available.

How to Request an Extension of Time to File a Petition for Hearing

For good cause shown, pursuant to subsection 62-110.106(4), F.A.C., the Department may grant a request for an extension of time to file a petition for hearing. Such a request must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this order. Petitioner, if different from the addressee, shall mail a copy of the request to the addressee at the time of filing. Timely filing a request for an extension of time tolls the time period within which a petition for administrative hearing must be made.

How to File a Petition for Administrative Hearing

A person whose substantial interests are affected by this order may petition for an administrative proceeding (hearing) under Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida, 32399-3000, within **21** days of receipt of this order. Petitioner, if different from the addressee, shall mail a copy of the petition to the addressee at the time of filing. Failure to file a petition within this time period shall waive the right of anyone who may request an administrative hearing under Sections 120.569 and 120.57, F.S.

Pursuant to Sections 120.54(5)(b)4 and 120.569(2), F.S. and Rule 28-106.201, F.A.C., a petition for administrative hearing shall contain the following information:

- a) The name, address, and telephone number of each petitioner, the name, address, and telephone number of the petitioner's representative, if any, the site owner's name and address, if different from the petitioner, the DEP certification number for the facility, and the name and address of the facility;
- b) A statement of how and when each petitioner received notice of the Department's action or proposed action;
- c) An explanation of how each petitioner's substantial interests are or will be affected by the Department's action or proposed action;
- d) A statement of the material facts disputed by the petitioner, or a statement that there are no disputed facts;
- e) A statement of the ultimate facts alleged, including a statement of the specific facts the petitioner contends warrant reversal or modification of the Department's action or proposed action;

- f) A statement of the specific rules or statutes the petitioner contends requires reversal or modification of the Department's action or proposed action; and
- g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the Department to take with respect to the Department's action or proposed action.

This order is final and effective as of the date on the top of the first page of this order. Timely filing a petition for administrative hearing postpones the date this order takes effect until the Department issues either a final order pursuant to an administrative hearing or an order responding to supplemental information provided to the Department pursuant to meetings with the Department.

Judicial Review

Any party to this order has the right to seek judicial review of it under Section 120.68, F.S., by filing a notice of appeal under Rule 9.110 of the Florida Rules of Appellate Procedure with the clerk of the Department in the Office of General Counsel, 3900 Commonwealth Boulevard, MS 35, Tallahassee, Florida 32399-3000, and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate district court of appeal. The notice of appeal must be filed within thirty days after this order is filed with the clerk of the Department (see below).

Questions

Any questions regarding the Department's review of this amendment request should be directed to Ann Seiler at (850) 717-9113. Questions regarding legal issues should be referred to the Department's Office of General Counsel at (850) 245-2257. Contact with any of the above does not constitute a petition for administrative hearing or request for an extension of time to file a petition for administrative hearing.
