WITNESSETH

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" authorizes local governments to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities that will harmonize geographic, economic, population and other factors influencing the needs and development of local communities; and

WHEREAS, Part I of Chapter 163, Florida Statutes, permits public agencies as defined therein to enter into interlocal agreements with each other to jointly exercise any power, privilege, or authority that such agencies share in common and that each might exercise separately; and

WHEREAS, pursuant to Chapter 125.01, Florida Statutes, the Board of County Commissioners is empowered to establish and administer programs of beach erosion control and to enter into agreements with other governmental agencies within or outside the boundaries of the COUNTY for joint performance, or performance of one unit on behalf of the other, of any of either governmental entity's authorized functions; and

WHEREAS, pursuant to Chapter 166, Florida Statutes, the CITY is empowered to exercise any governmental, corporate, and proprietary power for municipal purposes, except when expressly prohibited by law; and

WHEREAS, the COUNTY and the CITY intend to make the most efficient use of their powers by cooperating with each other on periodic dune restoration at the Singer Island beach within an area located approximately 500 feet north of the Department of Environmental Protection's reference monument R-61 to approximately 400 feet south of the Department of Environmental Protection's reference monument R-65, in Palm Beach County, Florida (the "RESTORATION"); and

WHEREAS, the COUNTY and the CITY desire to establish their respective roles in the RESTORATION to make the most efficient use of their respective resources; and

WHEREAS, the CITY wishes to cost share with the COUNTY, by reimbursing the COUNTY for 20% of the total Eligible RESTORATION Expenses, provided that such amount does not exceed \$200,000 in any fiscal year.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations herein contained, the parties agree as follows:

1. Recitals. The above recitals are true and correct and incorporated herein.
2. Purpose of the Agreement. The purpose of this Agreement is to provide a mechanism for funding the RESTORATION, and to set forth the terms, conditions and obligations of each of the respective parties hereto.

3. The RESTORATION.

- A. Description. The RESTORATION consists of periodically hauling beach quality sand to the Restoration Area (located approximately 500 feet north of the Department of Environmental Protection's reference monument R-61 to approximately 400 feet south of the Department of Environmental Protection's reference monument R-65, in Palm Beach County, Florida), placing it throughout the eroded dune system and when practicable, planting the restored area with native, salt-tolerant, dune vegetation.
- B. RESTORATION components. RESTORATION components include project management; design; permitting; purchase and trucking of sand; sand placement; planting of native vegetation; and all permit required monitoring and maintenance (Eligible Restoration Expenses).

4. Term. The term of this Agreement shall be from the date of execution through September 30, 2022, unless otherwise provided herein. Work conducted on the RESTORATION by the County and its consultants/contractors beginning on or after January 1, 2012 shall be eligible for reimbursement by the CITY.

5. Funding. The parties agree that the CITY will cost share in the Eligible Restoration Expenses for the RESTORATION completed at the Restoration Area. Each party agrees to diligently pursue the approval and procurement of its funding obligation. The parties agree that the COUNTY shall not be obligated to perform RESTORATION unless the CITY notifies the COUNTY in writing that the City Council has appropriated sufficient funds in its annual fiscal budget to reimburse the COUNTY for the CITY'S share of the Eligible Restoration Expenses.

Invoices shall be in sufficient detail for pre-audit and post-audit review. The COUNTY shall provide any further documentation deemed necessary by the CITY.
- D. The COUNTY shall maintain adequate records to justify all charges, expenses and costs represented by the invoice amounts for at least three (3) years after completion of each periodic RESTORATION project. The CITY shall have access to all books, records, and documents related to the RESTORATION as required in this paragraph for purposes of inspection or audit during normal business hours.
- E. The County shall use best efforts to submit requests for State funding assistance for the RESTORATION, shall provide a copy of any such submittal to the CITY, and shall seek the CITY's support.
- F. Upon request, the COUNTY shall provide the CITY with copies of all contracts, plans and specs related to the RESTORATION. The COUNTY shall invite the CITY to RESTORATION pre-construction meetings.

- G. The COUNTY shall provide the CITY with a copy of the RESTORATION schedule and all revisions thereto.
- H. The COUNTY shall properly prepare and submit any and all applications for State and Federal permits required for the RESTORATION and provide a copy thereof to the CITY.
- I. The COUNTY shall be responsible for management, design, construction and monitoring of the RESTORATION.
- J. The COUNTY shall secure competitive bids for the RESTORATION by advertisement for work to be performed by contractors in accordance with the COUNTY Purchasing Ordinance.
- K. Notwithstanding any other provision herein, the COUNTY's obligation to perform under this Agreement is contingent upon availability of matching State or Federal funding and an appropriation for its purpose by its Board in its annual fiscal year budget during the term of this Agreement.

7. CITY Obligations.

- A. The CITY shall cost share with the COUNTY on a reimbursement basis. The CITY shall reimburse the COUNTY for twenty percent (20%) of the Eligible RESTORATION Expenses for each periodic RESTORATION completed by the COUNTY pursuant to this Agreement. However, the CITY shall not be responsible for Eligible RESTORATION Expenses exceeding \$200,000 in any fiscal year.
- B. The CITY shall appropriate adequate funds to cover the CITY's share of the Eligible RESTORATION Expenses based upon the estimate provided by the COUNTY pursuant to paragraph 6.A.

- F. Notwithstanding any other provision herein, the CITY's obligation to perform under this Agreement is contingent upon availability of the funding and an appropriation for its purpose by the City Council in its annual fiscal year budget during the term of this Agreement.

A. If a party fails to fulfill its obligations under this Agreement in a timely and proper manner, the party not in default shall have the right to terminate this Agreement by giving written notice of any deficiency and its intent to terminate. The party in default shall then have thirty (30) days from receipt of notice to correct the stated deficiency. If the defaulting party fails to correct the deficiency within this time and unless otherwise agreed by the parties, this Agreement shall terminate at the expiration of the thirty (30) day time period. In the event of termination due to a default by the CITY, the CITY shall promptly pay the COUNTY all costs incurred and due under the terms of this Agreement as of the date of termination.

B. Either party may terminate this Agreement at any time for convenience upon ninety (90) calendar days prior written notice to the other party and upon payment of all costs incurred and due under the terms of this Agreement as of the date of termination.

11. Delegation. Nothing contained herein shall be deemed to authorize the delegation of the constitutional or statutory duties of state, county, or municipal officers.

12. Filed. A copy of this Agreement shall be filed with the Clerk of the Circuit Court in and for Palm Beach County.

13. Amendments. This Agreement may only be amended by written Agreement executed by the parties hereto with the same formality used to execute this Agreement.

14. Indemnification. Each party shall be liable for its own actions and negligence, and to the extent permitted under Section 768.28, Florida Statutes, the COUNTY shall indemnify, defend and hold harmless the CITY against any actions, claims, or damages arising out of the COUNTY's negligence in connection with this Agreement, and the CITY shall indemnify, defend and hold harmless the COUNTY against any actions, claims or damages arising out of the CITY's negligence in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statutes, Section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions.

15. Insurance. The parties shall maintain a fully funded insurance or self-insurance program pursuant to Section 768.28, Florida Statutes. The COUNTY agrees to require any contractor performing work on the RESTORATION to maintain adequate insurance coverage, naming both the CITY and COUNTY as additional insured.

16. Equal Opportunity. The COUNTY and the CITY agree that no person shall, on the grounds of age, race, color, sex, national origin, disability, religion, ancestry, marital status, sexual orientation, or gender identity or expression be excluded from the benefits of, or be subjected to any form of discrimination under, any activity carried out by the performance of this Agreement.
17. Severability. In the event that any section, paragraph, sentence, clause, or provision hereof is held by a court of competent jurisdiction to be invalid, such shall not affect the remaining portions of this Agreement, and the same shall remain in full force and effect.
18. Waiver of Breach. It is hereby agreed to by the parties that no waiver of breach of any of the covenants or provisions of this Agreement shall be construed to be a waiver of any succeeding breach of the same or any other covenant or provision.
19. Disputes. Disputes under this Agreement may be resolved by the parties' Representatives named in Paragraph 8. If the Representatives are unable to reach a resolution, the parties may select a mediator mutually acceptable to both parties to conduct a mediation of the issues involved and make a recommendation to both parties. The parties agree to be responsible for their respective costs and fees incurred during the mediation and that the mediator's fees and costs shall be paid in equal amounts by each party.
20. Independent Contractor. The COUNTY recognizes that it is an independent contractor and not an agent or servant of the CITY. No person employed by any party to this Agreement shall, in connection with the performance of this Agreement or any services or functions contemplated hereunder, at any time, be considered the employee of the other party, nor shall an employee claim any right in or entitlement to any pension, worker's compensation benefit, unemployment compensation, civil service, or other employee rights or privileges granted by operation of law, except through and against the entity by whom they are employed.
21. Enforcement Costs. Except as otherwise provided herein, any costs or expenses (including reasonable attorney's fees) associated with the enforcement of the terms and/or conditions of this Agreement shall be borne by the respective parties. This provision pertains only to the parties to the Agreement.
22. Remedies. This Agreement shall be construed by and governed by the laws of the State of Florida. Any and all legal action necessary to enforce the Agreement will be held in Palm Beach County. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.
23. Captions. The captions and section designations herein set forth are for convenience only and shall have no substantive meaning.
24. Construction. No party shall be considered the author of this Agreement since the parties hereto have participated in drafting this document to arrive at a final Agreement. Thus, the terms of this Agreement shall not be strictly construed against one party as opposed to the other party based upon who drafted it.
25. Inspector General. Palm Beach County has established the Office of the Inspector General in Palm Beach County Code, Section 2-421 - 2-440, as may be amended. The Inspector General's authority includes but is not limited to the power to review past, present and proposed County contracts, transactions, accounts and records, to require the production of records, and to audit, investigate, monitor, and inspect the activities of any party contracting with the County, its officers, agents, employees, and lobbyists in order to ensure compliance with contract

requirements and detect corruption and fraud.

Failure to cooperate with the Inspector General or interfering with or impeding any investigation shall be in violation of Palm Beach County Code, Section 2-421 - 2-440, and punished pursuant to Section 125.69, Florida Statutes, in the same manner as a second degree misdemeanor.

26. Entirety of Agreement. The CITY and COUNTY agree that this Agreement, together with any attached exhibits, sets forth the entire agreement between the parties, and that there are no promises or understandings other than those stated herein. None of the provisions, terms or obligations in the Agreement may be added to, modified, superseded, or otherwise altered, except by written instrument executed by the parties hereto.

IN WITNESS WHEREOF, the County of Palm Beach, Florida has caused this Agreement to be signed by the Chair of the Board of County Commissioners and the seal of said Board to be affixed hereto and attested by the Clerk of said Board, pursuant to authority granted by said Board, and the City of Riviera Beach has caused this Agreement to be signed in its corporate name by its mayor and its corporate seal to be affixed hereto, attested by its City Clerk, the date and year first above written.
