April 3, 2014

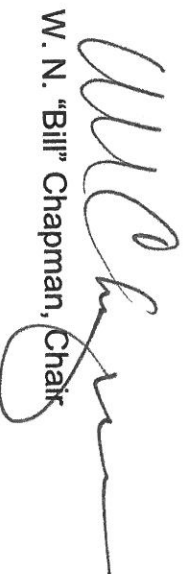

Lee Perry, President
Gulf Trace Owners' Association, Inc.
P.O. Box 4807
Santa Rosa Beach, FL 32459

Dear Mr. Perry,

The Gulf Trace Owners' Association approached the Board of County Commissioners at its March 12, 2013, and March 26, 2013, regular meetings to request support of your work to build sand dunes at Gulf Trace and to restore some of the sea turtle habitat. The Commissioners feel that your organization's interest in and work toward building dunes on the County's beaches and restoring some of the sea turtle habitat is consistent with the Board's goals and priorities and is pleased to support the Gulf Trace Owners' Association in these efforts.

Please accept the thanks of the Board of County Commissioners for your contributions to the growth and protection of Walton County and its resources.

Yours truly,

W. N. "Bill" Chapman, Chair
